

IB Diploma Requirements - Students must take six (6) IB examinations. They will take one exam from Groups 1-5 and either Visual Arts, Information Technology in a Global Society (ITGS), Sports, Exercise and Health, or Chemistry as the sixth exam. Students taking the Visual Arts exam should take at least one art course prior to the eleventh grade. The IB Visual Arts exam is a combination of art history and studio art. Students must also take Theory of Knowledge 1 and 2, write an

Extended Essay (a research topic of the student's choice), and meet the Learning Outcomes related to Creativity, Action and Service (CAS) in the junior and senior years. In addition to the above IB MYP and IB Diploma requirements, students must also complete one (1) unit of either physical education or ROTC and one computer science unit in order to complete the requirements for a SC high school diploma.

The following is an example of a sample IB MYP course of study:

IB Diploma Program at Wilson High School

	Grade 9 IB MYP	Grade 10 IB MYP	Grade 11 IB DP	Grade 12 IB DP
Group 1: Language A	MYP English 2	MYP English 3	IB English Literature HL 1	IB English: Literature HL 2
Students who do not take English 1 in 8th grade must take English 1 and 2 in 9th grade				
Group 2: Language B	MYP Spanish 2 MYP German 2	MYP Spanish 3 MYP Spanish 4 MYP German 3 MYP German 4	IB Spanish SL IB German SL	
This plan allows students to take the Language B exam in the eleventh grade. Students who do not take Spanish 1 or German 1 in eighth grade must take Spanish/German 1 and 2 in the ninth grade.				
Group 3: Humanities	MYP World History	MYP American Govt. MYP Economics	IB/AP History of the Americas IB ITGS HL 1 IB ITGS Seminar	IB 20 th Century History HL IB ITGS HS 2 IB ITGS SL
American government and economics can be taken in the tenth, eleventh or twelfth grade. Students take the US History end-of-course exam at the end of 11th grade after taking History of the Americas.				
Group 4: Sciences	MYP Biology 1	MYP Chemistry 1 MYP Physics	IB Biology 1 HL IB Biology Seminar IB Chemistry Seminar	IB Biology 2 HL IB Biology SL IB Chemistry SL
Chemistry, Visual Arts, and ITGS are the options for the sixth IB exam. Students take the Biology end-of-course exam in the 9th grade. This is a requirement of the SC Department of Education.				
Group 5: Mathematics	MYP Geometry MYP Algebra 2 MYP Pre-Calculus	MYP Pre-Calculus MYP Algebra 2 AP Statistics	AP Calculus AB or BC IB Math Studies SL MYP Pre-Calculus	IB Math SL IB Math HL IB Math Studies SL AP Calculus AB or BC
Students who do not take Algebra 1 in 8th grade must take Algebra 1 and Geometry in the ninth grade				
Students who take the IB Math SL exam must complete Algebra 1, Geometry, Algebra 2, and Pre-Calculus by the end of the tenth grade. These students can take Algebra 2 in either the ninth or tenth grade.				
Students who take the IB Math Studies examination must complete Algebra 1, Geometry, and Algebra 2 by the end of the tenth grade.				
Group 6: The Arts	MYP Art 3	MYP Art 3	IB Visual Arts HL 1 IB Visual Arts SL Seminar	IB Visual Arts HL 2 IB Visual Arts SL 2
Core			Theory of Knowledge 1 Extended Essay H	Theory of Knowledge 2 Extended Essay H Service Learning CP
MYP Art 3 may be taken for fine arts credit or as an elective after MYP Visual Arts 1&2. Extended Essay and Service Learning are optional as classes but writing the extended essay and doing CAS hours are required for an IB diploma.
