

SOBRATO GRAD NIGHT 2023 BAY CRUISE FAQ

Why did the Grad Night event change to a Bay Cruise?

Although the Senior Celebration Committee had a fantastic, fun-filled evening planned for graduates, not enough tickets were sold to support the event. Instead of canceling Grad Night altogether, the Committee quickly pivoted and came up with another fun and unique option. The Grad Night Bay Cruise will be an unforgettable way for graduates to commemorate the culmination of their high school journey. This first-ever, once-in-a-lifetime event allows students to bid farewell to their high school years in style and celebrate their exciting futures ahead.
