our medical groups

At the time of enrollment, you will select a primary care physician (PCP) close to your home or work to allow reasonable access to care. Your PCP is responsible for coordinating your medical care. Search for your current doctor or find a new PCP at mywha.org/directory.

While your PCP will treat most of your health care needs, if he or she determines that you require specialty care, you will be referred to an appropriate provider. With WHA's Advantage Referral program, you have choices for specialists beyond the medical group of your selected PCP. Learn more at mywha.org/referral.
