

Driver Qualifications & Training

The transportation of school children is an integral part of our educational system and requires the dedication and cooperation of many individuals. However, the ultimate responsibility to ensure the safe transportation of our students rests with the school bus drivers. Below is a list of requirements for each of our bus drivers:

- Commercial Driver's License (CDL) Requirements
- Background Checks:
 - Motor Vehicle Reports checked twice annually.
- Other Employment Requirements:
 - School bus physical annually.
 - Drug testing: pre-employment, random, post-accident and follow-up, reasonable suspicion.
- School District Training:
 - Classroom Instruction
 - Driving examination
 - 6 hours driving with students
 - 6 hours driving without students
- Annual Driver Evaluations
- CPR & First Aid Training
