Child Find is typically held monthly – when you call our staff, they will schedule your child for an individual appointment to be screened.

You will need to bring the following items to this appointment:

- Original Birth Certificate
- Immunizations Record
- PROOF OF CURRENT ADDRESS (Electric bill, Water bill, Lease with parent's name)
- COMPLETED DEVELOPMENTAL HISTORY FORM - This will be provided to you by the Preschool staff
- ADDITIONAL INFORMATION** - If you have other evaluations or information from previous therapists that may be beneficial to the process, please bring copies as well
- HEARING AND VISION SCREENING** - Prior to Preschool screening and/or testing your child must pass a hearing and vision screening. This service is offered the day of Preschool screening, but we cannot guarantee that your child will pass and be able to participate in Child Find.

If your child is already under a doctor's care for vision and/or hearing, please bring in paperwork to verify this.
