Rationale

School districts are required to file two reports during a fiscal year (interim reports) on the status of the District's financial health. The first interim report is due December 15, for the period ending October 31st. The second interim report is due March 15, for the period ending January 31st. These reports must include a certification of whether or not the District is able to meet its financial obligations. The certifications are classified as positive, qualified or negative. A positive certification is assigned when the District will meet its financial obligations for the current and two subsequent fiscal years. A qualified certification is assigned when the District may not meet its financial obligations for the current or two subsequent fiscal years. A negative certification is assigned when a District will be unable to meet its financial obligations for the remainder of the current year or for the subsequent fiscal year.

The County Superintendent of Schools is required to determine the validity of a school district's certification and may reclassify a district's certification from positive to qualified or negative. In addition, the Superintendent of Public Instruction may reclassify any County Office of Education or appeal of a school district certification in accordance with the above standards.

S8. Status of Labor Agreements

Analyze the status of employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
