

The School Plan for Student Achievement 2022-2023

School: GRACIANO GOMEZ ELEMENTARY SCHOOL
District: SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT
County District School (CDS) Code: 36678760127332
Principal: Maria Martinez
SSC Approval/Adopted Date: April 26, 2022

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (Con-App), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to plan that reflect changing needs and priorities, as applicable.

Community Engagement Plan (CEP)

- **Strategy 1**
Health, Wellness, and Safety: We will build an environment and foster a culture, which sustains good health, lifelong wellness, and safety for all members of the SBCUSD community.
- **Strategy 2**
Coaching and Mentoring: We will strengthen human capacity through systems of coaching and mentoring throughout the organization.
- **Strategy 3**
College and Career through Applied Learning: We will provide college and career academies that focus instruction on industry standards and 21st century demands.
- **Strategy 4**
Learning Beyond the Boundaries: We will organize student-learning experiences based on readiness, need and relevance, which will provide and promote learning beyond the boundaries of the classroom, the clock, and the calendar.
- **Strategy 5**
Network of Alliances and Resources: We will lead the districtwide development of systems that empower departments and school sites to build meaningful networks of alliances and to access resources needed to promote success for all students.

Local Control and Accountability Plan (LCAP)

Goal 1

Academic Achievement – Student academic performance, including English proficiency, will be at a “standards met or greater” level based on rigorous core content standards, resulting in a high school diploma. Emphasis will be placed on learning acceleration related to the COVID-19 pandemic, A-G coursework, STEAM (Science, Technology, Engineering, Arts, and Math), college and career pathways and vocational skills opportunities.

Goal 2

School Climate and Campus Environment-In order to support student academic achievement and engagement, all students will be educated in welcoming learning environments that are safe, well maintained, drug free, and conducive to learning. Emphasis will be placed on social-emotional learning and positive relationships to reduce suspension, expulsion, citation, and chronic absenteeism rates.

Goal 3

Student, Family, and Community Involvement and Support-SBCUSD will engage, educate, and involve students, families, caregivers, and the community as partners. Emphasis will be placed on enhancing academic achievement, careers, and social services through a network of resources, allies, and alliances.

LCAP Federal Addendum

TITLE I, PART A: Improving Basic Programs Operated by State and Local Educational Agencies

TITLE II, PART A: Supporting Effective Instruction

TITLE III, PART A: Language Instruction for English Learners and Immigrant Students

TITLE IV, PART A: Student Support and Academic Enrichment Grants

Purpose, Involvement, Resource Inequities

Purpose and Description

Briefly describe the purpose of this plan (Select from School-wide or Targeted Assistance Program. If also identified, select one of the following: Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Comprehensive Support and Improvement

Briefly describe the purpose of this plan:

The purpose of this plan is to identify the academic needs of all students at Graciano Gomez Elementary School and set goals to implement specific strategies and activities as part of our Title I and LCAP School-wide Program. Additionally, the plan addresses required strategies needed under the CSI status.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Community Engagement Plan, Local Control and Accountability Plan (LCAP) and LCAP Federal Addendum:

The School Plan for Student Achievement (SPSA) is a plan of action to improve student academic performance by coordinating all educational services and resources. Pursuant to California Education Code (EC), Section 64001 and the Every Student Succeeds Act (ESSA, Section 1114), schools receive state and federal funds. The Local Control Funding Formula (LCFF) and the District's Title I LCAP Federal Addendum provides schools the flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning as well as supplement and support the educational program at each school site.

The SPSA documents the site's approach in maximizing the impact of federal and state funds to support all students, particularly the lowest-achieving students. The SPSA addresses all school-wide and community engagement requirements, and provides the framework of how the site plans to improve the entire educational program and improve academic achievement so all students are able to demonstrate proficiency on the State's academic standards.

The SPSA is aligned with (1) specific, articulated, academic goals, (2) makes full use of the instructional time with courses necessary to provide a well-rounded education, (3) a commitment to ongoing professional development and continuous improvement, (4) effective assessment methods to monitor the progress of students, (5) strategies to intervene at the earliest point if students are not making progress, and (6) parent involvement opportunities that encourage parent/family engagement.

Involvement Process for the SPSA and Annual Review and Update

Describe the planning process for this SPSA (CSI/TSI/ATSI) annual review and update. (Include who was involved, as well as when and how it took place.)

The SPSA/CSI development process for the 2022-2023 school year has been ongoing throughout the school year. As a site, teachers and staff have participated in ongoing data analysis through the completion of Data Protocols as part of grade level meetings and MOU/PDT calendar. The Data Protocols have yielded valuable findings that have assisted in determining the site's needs for increasing student achievement. Along with data analysis, staff and the School Site Council have implemented a continuous cycle of monitoring Title I and LCAP expenditures found in the SPSA as well as their effectiveness. Based on the ongoing data analysis and monitoring cycle, the staff, School Site Council and stakeholders collaborated in updating the SPSA to close the achievement gap and best support the Title I/LCAP Program at the site. The final copy of the SPSA/CSI will be approved by School Site Council in April 2022.

Resource Inequities (Required for CSI/TSI/ATSI Schools Only)

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

District:

District resource and budget inequities do not exist because of the following:

- District allocates local, state, and federal Title I, Part A funds, on a per-pupil allocation basis.
- Williams requirements are met.
- Class sizes meet the requirements under California state law.

- Base staffing allotment, including certificated and classified, is determined on a per pupil allocation basis funded with state and local funds.
- Information provided in the School Accountability Report Card (SARC).

School:

During our analysis of the CA Dashboard data, site formative assessments, student group data, staff data, and school resources we found the following:

1. There are learning gaps (ELA and Math) between students in the African American and English Language Learner groups, compared to school-wide.
2. There are 20 teachers at our school, of which 16 have received the appropriate training in CCSS and the new district ELA and Math programs.
3. 48.3% of the students are identified as chronically absent (2021-2022 SBCUSD Dashboard). Much of this data is due to COVID concerns.
4. 0.2% of the students are identified as suspended (2021-2022 SBCUSD Dashboard).

Next Steps: To address these inequalities, we are creating learning opportunities in the RtI program for the students in need of additional support based on their summative and formative assessments. These students will be monitored by the Resource Teacher, EALLs, classroom teachers, and Resident Subs to ensure the student received the necessary instruction. The Administration and Resource Teacher will also host data chats with the teachers and coach them in ELA and Math strategies, to ensure all teachers are also addressing the needs of the students during core instruction and ELD. Teachers will be provided with the opportunity to attend the necessary professional development to build their skill and knowledge of CCSS. They will also be provided with feedback, coaching, and mentoring to improve their instructional practices. The bilingual clerk, office staff, rec aides, and counselor will work closely to monitor the students who are chronically absent, identify the needs of the students, meet with parents/families to discuss the student's needs, and provide available resources as needed. The school counselor will work closely with all students to implement PBIS and SEL expectations by providing available resources as needed to continue the decrease in school-wide suspensions. Monthly meetings will be conducted with administration, resource teacher, ELF, and our African American Equity Coach to review subgroup data and decide next steps.

Evaluation of Goals

Directions: Utilize the following table to:

- Revisit your goals from current year's SPSA. Include the actual outcome and whether or not the goals were met
- Complete the Quantitative and/or Qualitative Site-Based and District Data Analysis
- Evaluate whether those Strategies/Activities were effective or ineffective
- Determine your needs and next steps for next year's SPSA LCAP, Title I, and CSI Program Strategies/Activities

2021-2022 Program Evaluation – LCAP, Title I and CSI and 2022-2023 Needs Assessment

Quantitative and/or Qualitative Site-Based and District Data Analysis:

The following needs assessment determines the supplemental needs of the school program and reflects the need for positions, programs, professional development, and parent engagement. The SPSA addresses the use of LCAP (419), Title I (501), and CSI (523) funds as a way to meet the identified needs, for increasing student achievement. The following data should be analyzed in completing the annual program evaluation: **California Dashboard** (ELA, Math, Suspensions, Chronic Absenteeism [K-8], Graduation Rate [HS], College Career [HS], Student Groups [EL, LI, FY, AA, ATSI], etc.), **ELPAC and English Learner Program** (ELPI, ELPAC Analysis, ELD Implementation Analysis, Reclassification and TELL Analysis), **District Assessments** (STAR [if applicable], IXL [grades 6-12], and NWEA), and **Site-Based Data** (Site Dashboard: Suspensions, Chronic Absenteeism, site-based assessments, student grades [D-F report], learning center/tutoring, and specific software/program data).

Needs Assessment Directions:

Based on the needs identified in your Quantitative and/or Qualitative Site-Based and District Data analysis, determine what will be included in the next year's SPSA LCAP, Title I, and CSI Action Plan. The items in your Needs Assessment must align with your **Section 3: LCAP, Title I, and CSI Action Plan**.

LCAP, Title I, and CSI Action Plan

Planned expenditures that are needed in order to achieve the schoolwide and student group goals.

Directions: Consider the needs of the following: intervention, student groups, professional development, parent engagement, etc. The LCAP Strategies/Activities must principally support Low-Income, Foster Youth, and/or English Learner student groups. A description of how Low-Income, Foster Youth, and/or English Learner student groups are supported must be included in the Strategies/Activities column for items with LCAP 419 funding included in the plan. The Title I Schoolwide program serves at-risk groups such as Low-Income, English Learners, Foster Youth, African American, Hispanic/Latino, Students with Disabilities, and other student groups. CSI is also a Schoolwide program.

Site Plan for African American Success

The following areas have been set as improvement targets* for African American student success by the San Bernardino City Unified School District Board of Education:

- 3rd Grade ELA
- Math in Grades 4, 5, and 8
- College & Career Readiness (via success in integrated math I and other options)
- Advanced Course Enrollment and Success Rates
- Student and Family Engagement

The Department of Equity and Targeted Student Achievement (ETSA) is currently *piloting* several systems of support to help our District reach these targets. The figure below lists some of the supports we can provide now to assist schools with early implementation. Schools may opt in to any of the supports listed below, or they may design their own supports to ensure African American students reach the targets. The support labeled *AA Improvement Plan Data Monitoring* is a District-wide expectation. Guidance and training will be provided by ETSA.

If you would like ETSA support, please select one or more of the options below by marking X by the support(s) of your choice.

GRACIANO GOMEZ ELEMENTARY SCHOOL
School-Parent and Family Engagement Policy
2022-2023

With approval from the local governing board, GRACIANO GOMEZ ELEMENTARY SCHOOL shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed upon by such parents and updated periodically to meet the changing needs of parents and the school. (20 U.S.C. § 6318[b][1])

This policy is distributed and made available to the community in the following manner:

Gomez Elementary has developed a written Title I parental involvement policy with input from Title I parents. The policy has been developed through volunteer parent committees (SSC, ELAC, AAPAC), and parental surveys. Our school site distributes the policy to parents of Title I students. The policy is readily available during parent committee meetings, Back-to-School Night, and the school website. Our policy will be posted on the school's website, sent through ParentSquare and made available in the school office.

The school-level policy shall describe the means for how each school shall carry out the following requirements: (20 U.S.C. § 6318[b][1])

(a) Convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents and family members of their school's participation in the Title I, Part A program and to explain the requirements, and the right of the parents to be involved. (20 U.S.C. § 6318[c][1])

The annual meeting will be completed as follows:

The annual meeting will take place both in person and in a virtual platform (Google Meet, Zoom, etc.). Title 1 information will be shared throughout the year (virtually or physically) during family nights, back-to-school night, parent workshops, and various council meetings.

(b) Offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parental involvement. (20 U.S.C. § 6318[c][2])

The school offers flexible meetings as follows:

Families have the opportunity to attend the Back-to-School Night event to familiarize themselves with the campus, child's teacher, and procedures. At least seven SSC/ELAC/AAPAC meetings are held each year to review data, discuss SPSA expenditure effectiveness and plan for the year.

In addition to on-site meetings, we will also be offering parent training and informative webinar sessions as well as continuing to work with the district Family Engagement Office on a variety of other ways to increase parent-family involvement, including other interactive technology, with the goal of increasing family educational capital and improving staff and family relationships.

(c) Involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the school-wide program plan. (20 U.S.C. § 6318[c][3])

The school involves parents/family in the joint planning, review, and improvement of the Title I Program and school Parent-Family Engagement Policy in the following way(s):

Gomez Elementary staff involves parents in the joint planning, review, and improvement of the Title I Program/Services and school Parent-Family Engagement Policy through School Site Council, English Language Advisory Council, and Title I surveys. During council meetings, the programs and policies are reviewed and parents provide input into the improvement of the Title I Program/Services and school Parent-Family Engagement Policy.

(d) The school provides parents of participating children with the following:

i. Timely information about the Title I program. (20 U.S.C. § 6318[c][4][A])

- ii. A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging state academic standards. (20 U.S.C. § 6318[c][4][B])
- iii. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 U.S.C. § 6318[c][4][C])

The school will provide this information and opportunities in the following way:

Information and opportunities are provided through the school parent council meetings (SSC, ELAC, AAPAC, etc), Parent/ Teacher Conferences, Marquee, Gomez school website, social media platforms, and robocalls. We not only describe and explain the curriculum, assessments, and achievement levels, but also how those areas connect to students' college and career goals and other personal and academic opportunities, using materials and resources provided by the district's Family Engagement Office, Multilingual Programs Department, and other departments. Parents are encouraged to attend all school meetings, including SSC/ELAC/AAPAC and Pastries with the Principal. Parents may also request meetings referring to their child's education at any time.

- (e) If the school-wide program plan is not satisfactory to the parents of participating children, parent comments regarding the plan will be submitted when the school makes the plan available to the LEA. (20 U.S.C. § 6318[c][5])

2.2 To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and LEA assisted under Title I, Part A shall carry out the following requirements: (20 U.S.C. § 6318[e])

- (a) The school shall provide assistance to parents of children served by the school or LEA, as appropriate, in understanding such topics as the challenging state academic standards, state and local assessments, the requirements of Title I, Part A, and how to monitor a child's progress and work with educators to improve the achievement of their children. (20 U.S.C. § 6318[e][1])

The school will assist parents-family in understanding academic standards, assessments, and how to monitor their child's achievement in the following ways:

The school site provides detailed information about the curriculum, assessments to monitor student progress, and expected proficiency levels of students during Back-to-School Night/Parent Nights and at all parent advisory meetings. Additionally, information is available in the front office, mailed correspondence, and presentations during site-level parent trainings.

- (b) The school shall provide materials and training to help parents to work with their children to improve their children's achievement, **in the following ways:** (20 U.S.C. § 6318[e][2])

The school site offers a variety of activities through-out the school year. The school will host ongoing parent nights (in person and/or virtually) to support Academic Achievement, these may include but not be limited to Math, technology, Art and Literacy.

We coordinate with the Family Engagement Office and other district departments to provide centralized and site-specific family engagement materials and training to help families improve their children's achievement, especially in Math, Language Arts and Social-Emotional Learning competencies.

- (c) The school shall educate teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school, **in the following ways:** (20 U.S.C. § 6318[e][3])

Weekly collaboration and professional development meetings, Open House, Math Night (in-person), Literacy Night (in-person), and School Site Council (virtual Meetings/ in-person). Communication through ParentSquare, School Messenger, School website, Social Media Platforms and the Marquee. With assistance from the Family Engagement Office, we work together with district-level parent groups and leaders to provide training and assistance to our staff regarding the value of parents and how staff and families can best work together, focusing on mutual support and dual-capacity building.

- (d) The school shall, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children, **in the following ways:** (20 U.S.C. § 6318[e][4])

In addition to the efforts of site staff, Gomez works with the Family Engagement Office and their staff to provide support and resources to our families (virtually/in-person) as well as coordinating other programs by working with district departments such as ATLAS (foster/homeless), Categorical Programs, Elementary Instruction, Multilingual Department, Family Engagement, G.A.T.E., Special Education, Student Wellness and Support Services, and Youth Services. Gomez offers families multiple opportunities for involvement in school programs and activities.

(e) The school shall ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand. (20 U.S.C. § 6318[e][5])

The school does this by

Gomez provides communication in Spanish and English. Digital communication platforms include Class Dojo, Google Classroom, Facebook, school website, ParentSquare, and School Marquee. All notices and phone calls are in both English and Spanish, with district resources offered for any other language requested.

(f) The school shall provide such other reasonable support for parental involvement activities under this section as parents may request. (20 U.S.C. § 6318[e][14])

Gomez staff coordinates with the community relations workers at the Family Engagement Office to provide activities and support, as requested.

Through the Family Engagement Office, other district departments and state and local agencies, such as the Department of Rehabilitation, we have access to a variety of resources to make sure that all families have access to information, training and support, regardless of language proficiency, disability, or permanence of residency.

Gomez staff and the Family Engagement Department support student learning by helping families to make sure that their children understand the connection between their current learning and later personal, academic and career opportunities and goals; that their children are doing work above and beyond what their teachers require, based on their child's individual goals and passions; that families are aware of the school's grade-level family engagement goals; that they volunteer, whenever possible; that they attend meetings or otherwise communicate their thoughts and desires regarding their children's education to their child's teacher(s), counselor or administrator. Parents may also fill out surveys that will be sent out asking for input. Parents may also request to volunteer after completing a background check.

2.3 In carrying out the parent and family engagement requirements of this part, LEAs and schools, to the extent practicable, shall provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under 20 U.S.C. § 6311 in a format and, to the extent practicable, in a language such parents understand. (20 U.S.C. § 6318[f])

2.4 As a component of the school-level parent and family engagement policy, each school served under this part shall jointly develop with parents for all children served under this part a school parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The school-parent compact shall carry out the following requirements: (20 U.S.C. § 6318[d])

(a) Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under this part to meet the challenging state academic standards, and the ways in which each parent will be responsible for supporting their children's learning; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time. (20 U.S.C. § 6318[d][1])

(b) Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum, the following: (20 U.S.C. § 6318[d][2])

i. Parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as the compact relates to the individual child's achievement; (20 U.S.C. § 6318[d][2][A])

ii. Frequent reports to parents on their children’s progress; (20 U.S.C. § 6318[d][2][B])

iii. Reasonable access to staff, opportunities to volunteer and participate in their child’s class, and observation of classroom activities; and (20 U.S.C. § 6318[d][2][C])

iv. Ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. (20 U.S.C. § 6318[d][2][D])

2.5 Each LEA or school receiving funds under Part E of Title IV shall inform parents and organizations of the existence of Title IV. (20 U.S.C. § 6318[g])

San Bernardino City Unified School District does not receive Title IV, Part E funds.

GRACIANO GOMEZ ELEMENTARY SCHOOL
School-Parent Compact
Shared Responsibilities for High Student Academic Achievement
2022-2023

This school parent compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The school-parent compact shall carry out the following requirements: (20 U.S.C. § 6318[d])

- (a) Describe the **school's responsibility** to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under this part to meet the challenging state academic standards.

The school agrees to carry out the following responsibilities:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the Common Core State standards.
- Communicate high expectations for every student and endeavor to motivate students to learn.
- Participate in professional development opportunities that improve teaching and learning and support the formation of partnerships with families and the community.
- Provide parents opportunities to volunteer and participate in their student's classes and to observe classroom activities.
- Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows: Trimester diagnostic reports of progress, parent teacher conferences, progress monitoring reports from teachers, as needed, scheduled MTSS meetings, and IEP meetings, as well as, maintain ongoing conversations with families about student's academic and social development.
- Homework: to provide relevant and meaningful homework experiences that will reinforce instruction and extend learning.
- Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents through the following means: Scheduled parent teacher conferences, phone calls, written communication, office hours, and open house, emails, and parent requested appointments.
- Offer parents the opportunity to participate in shared decision-making with other school staff and families for of students, through the following opportunities: LCAP advisory meetings, School Site Council, English Learner Advisory Council, African American Advisory Council, and surveys.

- (b) The ways in which each **parent will be responsible** for supporting their children's learning; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time. (20 U.S.C. § 6318[d][1])

Encourage regular attendance of healthy children

*Make sure homework is complete (assigned in Google Classroom)

*Volunteer in the classroom as appropriate

*Participate, as appropriate, in decisions relating to our children's education (join parent council groups, participate in parent night webinars, and fill out surveys)

*Promote positive use of extracurricular time and television viewing

*Attend parent/teacher conferences, Back-to-School night, and other school functions

- *Provide a minimum of eight hours of sleep as well as nutritious meals/snacks
- *PBIS - to encourage my child to be safe, respectful and responsible by following the school wide expectations and social skills at Gomez, during the school day, before and after school, and on weekends
- *Attendance - to monitor my child's attendance by communicating with the office staff and teacher
- *Stay informed about our children's education and communicate with the school by promptly reading all notices from the school (gomez.sbcusd.com, Facebook, Class Dojo, ParentSquare and the marquee) or the District website.
- *Serve, to the extent possible, on parent advisory groups, such as School Site Council, or other school or District parent groups
- *Take advantage of after-school intensive instruction as determined by the classroom teacher

(c) (c) Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum, the following: (20 U.S.C. § 6318[d][2])

i. Parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as the compact relates to the individual child's achievement; (20 U.S.C. § 6318[d][2][A])

Conferences will take place as follows:

Formal conferences will be held twice a year at the end of each trimester, and informal conferences will be held as either teacher or parent sees fit.

ii. Frequent reports to parents on their children's progress; **are provided as follows** (20 U.S.C. § 6318[d][2][B])

Report cards are provided three times annually, and formative and summative assessment data reports are regularly shared with the parent to monitor progress and to check the effectiveness of the strategies used in instruction. Parents can view online assessments and grades through Google Classroom and Aeries Portal. Digital communication such as, but not limited to Class Dojo, Parent Square and/or Google Classroom.

iii. Reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities; **is provided as follows:** (20 U.S.C. § 6318[d][2][C])

All parents are invited to volunteer in multiple capacities: in class assistance reading with students, and aiding teachers with arranging papers, homework, etc. All parents are encouraged to fill out the volunteer packet and are made aware of the District Volunteer Policy and background check procedure.

iv. Ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. (20 U.S.C. § 6318[d][2][D])

Parents/family members and staff members have regular two-way communication in the following ways:

All notices and phone calls are in both English and Spanish, with district resources offered for any other language requested. Office staff is English/Spanish bilingual, and immediate district assistance is available if another language is needed. Telephone and e-mail communication, report card, parents can view online assessments and grades in Aeries parent portal and Google Classroom, digital communication such as, but not limited to Class Dojo, Google Classroom, ParentSquare, information posted on our School's website and social media platforms, as well as the marquee, Parent/Teacher Conferences, IEP's, SST's, and 504s.

Additionally, parents are invited to email their child's teacher directly, call the office and request a return call, or write a note to the teacher.

Students will be responsible for improving their academic achievement.

Attend all learning daily

- * Complete all assignments and ask for help when needed
- * Follow classroom rules and expectations
- * Read at least 20 minutes every day outside of school time
- * Communication - give parents/guardians all notices and information received from school every day

- * PBiS - know and follow all school rules and expectations
- * PBiS (social skills) - to follow the 16 classroom social skills
- * Leave all toys and electronic devices at home
- * Respect the school, staff, classmates, and families
- * Attend after-school intensive instruction as determined by the classroom teacher, whether in person or virtually
- * Only healthy snacks are allowed on campus (no candy, high sugar foods, hot/spicy chips, sodas/cafeinated drinks, energy drinks and candy)

**Description of Centralized Services
Include Direct Services
For Categorical Programs**

A centralized service is an activity funded by a school allocation, but administered by the LEA central office. Even though the services may be directed by the LEA, and possibly housed at the central office, the services are provided directly to students at the school site and thus, would be charged to the 85 percent of the District's total Title I allocation. Goals are met through administrative support and direct instructional support. The total amount for each categorical program is aligned with the Consolidated Application.

School Goal #1: Provide positions that support the management of the program through administrative costs that support the site program goals.

| Actions to be Taken to Reach Goal #1 (e.g., Teaching and Learning, Staffing, and Professional Development) | Start Date/ Completion Date | Funding Source (itemize for each source) |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------|------------------------------------------------|
| One Microcomputer Specialist position to support all schools by increasing student access to school libraries and reading materials, improve students' ability to conduct research and complete projects | On-going | Title I |
| One District Research Analyst to support all schools by providing student data to sites and teachers. | On-going | Title I |

School Goal #2: Provide direct instructional and professional development to support schools.

The following actions and related expenditures support school goals and will be performed as centralized services.

Examples of centralized services that are within the 85 percent of the District's total Title I allocation, direct services limitation, and may serve as professional development, include:

- Research-based instructional strategies, curriculum development, school climate, and data disaggregation for instructional staff
- District-wide staff providing specific services to schools, e.g., categorical and fiscal personnel, English learners, and family engagement resource center
- Increase learning opportunities such as before/after school intersession and intervention programs funded by categorical programs
- Data analysis services, software, and training for assessment of student progress
- Teacher professional development activities for multiple schools
- Shared costs of staff members (i.e., content coaches) who provide professional development/coaching services to multiple schools
- Support Services for Homeless and Foster Youth

The School Site Council (SSC) has analyzed and discussed the planned program improvements contained in the site's School Plan for Student Achievement (SPSA). In addition, the SSC has discussed how Federal categorical monies (Title I), appropriated to the District, are provided to the sites in the form of direct services that assist in supporting program goals, related actions, and expenditures that raise the academic performance of students not yet meeting state standards. The description, discussion and adoption of centralized services, within the site's SPSA, can be found in the SSC minutes.

Program Support and Assistance

In order to assist schools in meeting the challenging academic performance standards, expected of all students, Title I-funded, central office staff provides a number of district and school-level services that support program planning, implementation and evaluation. The staff collects, organizes, and analyzes data for all district-level reports, applications, and budgets. The information collected is shared with appropriate district-level personnel and school councils.

District and school-level records are collected and retained on file, in the Categorical Programs Department, for the required time span of five years. Records maintained by the Categorical Programs Department include targeted information, budgets, School Plans for Student Achievement, School-wide Program authorization information, Recommendations and Assurances, and fiscal histories.

Central office staff serves as the School-wide Program District Learning Support Team, to provide technical assistance to all schools, as the schools develop comprehensive needs assessments, identify targeted needs, and develop School-wide Targeted Assistance Program plans. In order to build capacity, in-depth professional development is delivered as well as an understanding of how to monitor and evaluate programs.

Direct Services

Direct services, as reflected in site budgets and School Plans for Student Achievement, are centrally coordinated. Direct Services to program participants include school-linked services, Student services, content and academic coaches, language tutors, Resource Teacher, Program Specialists, and required disaggregation of Title IX data (Gender, Ethnicity, Socioeconomically Disadvantaged Students, Students with Disabilities, Gifted and Talented/Advanced Learners, and English Learners).

School-linked Services staff works with school personnel and parents, in order to identify attendance problems, and provide support to the family, so that absent students can return to school as quickly as possible. Family support services from School-linked Services may include emergency food, clothing, health care, counseling, and community referrals. Additionally, school-linked services provide support for foster youth and homeless youth.

Academic Program Specialists and content Coaches provide professional development and work directly at schools to ensure that each student has equitable access to high quality teaching and learning, as well as intervention that enables them to reach grade-level standards.

The Accountability and Education Technology Department supports the technology initiatives to ensure that students have full access to educational technology.

English learners have adequate base/core program resources to provide each student with appropriate learning opportunities in various program models. The provision of such general fund resources is not contingent on the receipt of State or federal categorical funds. The funds supplement, but do not supplant existing resources, at the school site.

Direct services to English Learners are centrally coordinated, through the English Learners Department, with the supplemental support of Title III funds. Title III provides ongoing training for teachers and language tutors who work with English Learners, throughout the year. Additionally, professional development on the use of instructional strategies to assist English learners in language proficiency and academic content is provided to administrators, teachers, and appropriate staff. Educational Assistants III, as well as college interns are assigned to schools with small and scattered numbers of English Learners, and thus ensure primary language instruction support and assistance with English Language Development and SDAIE instruction in grades K-12, throughout the entire district.

Informational meetings are planned, organized, and conducted by staff members in the Elementary and Secondary Instruction, Equity and Targeted Student Achievement Department, English Learners Department, and Categorical Programs Department, in order to share program guidelines and procedures with appropriate district and school-level personnel (principals, teachers, program facilitators, support teachers, community resource workers, health aides, family support workers, parent volunteer coordinators, family outreach workers, aides, library assistants, and tutors), as well as parent advisory groups. Professional development training activities are planned, implemented, and evaluated for the purpose of improving student achievement, job-related knowledge and instructional skills.

Additionally, District Advisory Council meetings, which address Title I issues, are organized and held monthly. Council members participate in the development and update of the LEA Plan, Parent and Family Engagement Policy, and progress monitoring, associated with both. Centralized staff members are available to assist schools in developing Site-Level Parent and Family Engagement Policies and School-Parent Compacts with parents. In addition to advisory council activities, a number of district-wide parent training sessions are implemented, in order to help parents, assume the responsibilities of active participation in the education of their children.

All elementary, middle, and high schools, receiving Title I funds, complete annual program evaluations through monitoring documents and parent surveys. Categorical Programs Department staff trains and advises school sites, and School Site Councils, in program evaluation, data-driven instructional planning processes, and the School Plan for Student Achievement cycle of development.

Prepared by: Kimbre Sargent, Director, Categorical Programs Department

The State Education Code requires that all school plans that operate with categorical funds be approved by the local school board. When funded by Title I, schools may operate as Targeted Assistance Schools where specific Title I students are identified to receive Title I services, or they may operate as Schoolwide Programs where funds are focused on a program that ensures academic achievement for all students. Under this option, schools gain flexibility in the use of categorical support services. Based on the needs assessments, to operate as a schoolwide program would be to the benefit of their students rather than separate, add-on services in raising academic achievement for the lowest achieving students in a school. All plans are reviewed for legal compliance and are recommended for approval as submitted.

It is recommended that the following resolution be adopted:

BE IT RESOLVED that the Board of Education approves the School Plans for Student Achievement for the attached schools.

Professional Learning Plan Template (2022-2023)

Directions:

- This plan is a “living document” and can be modified as you make adjustments throughout the school year based on your site context and growth data.
- This PLP is an extension of your site SPSA and is meant to focus on **the academic priorities**, especially Math and ELA.
- We will use the document as we engage in reviewing new data in the Fall, Winter, and Spring.
- The academic goals can be copied and pasted directly from your SPSA document.
- The purpose of this document is to identify areas that each site is prioritizing in your implementation of Professional Learning Communities and MTSS. District level supports can be identified and provided based on information included in this document.
- This document should be developed collaboratively with your site leadership and PDT teams.

Professional Learning Communities

Question 1: What do we want students to learn, know and be able to do?

1. How is your site's progress with the implementation of the SBCUSD curriculum guides? What are your next steps?
2. How are you using the curriculum guides to support the implementation of your PLP?
 - Developing
 - Continue to use as a guide/ tool
 - Review guides at first MOU/ PD as a cluster

Next steps:

- Will review and plan cycles of implementation.
- possible collaborative PD to review curriculum guides at the beginning of the year
- CFAs revolved around curriculum guides

Question 2: How will we know if students are learning and making progress?

1. How has your site utilized the NWEA tool this school year? How do you envision building upon your work this year for next year?
2. How can you use your NWEA data to support the development of your PLP?
3. How does your site currently use other formative assessment tools? What are your next steps in this area?
 - Grade Level Common Assessments/ CFAs need to be aligned to curriculum guides and used to monitor student progress
 - NWEA as universal screener to create small groups based on needs at the beginning of the school year
 - Fluency/ Phonics decoding as well other site based or program embedded assessments to refine learning labs and to monitor student progress

Question 3/4: How will we respond when we know students need additional support and/or enrichment?

Tier 1/Tier II/Tier III Supports at our school site (Reference for Site Leaders)

- What does Tier 1 look like at your site? What do *all students* get? For academics? For Social-Emotional supports? For Engagement?
- What does Tier 2 or 3 look like at your site? What are some of the resources, supports, and interventions that students receive *as they need*?

Professional Development Foci:

Teacher Clarity: Currently, Gomez staff has worked with teacher clarity in the area of math. This will now be expanded to ELA

ELD strategies: Currently, our ELL population has not met CAASPP nor Reclassification goals.

RtI/MTSS: Currently, Gomez has a dedicated RtI block to meet the needs of our at-risk subgroups. We will focus on the MTSS system and documentation to effectively identify, support, and monitor our students.

VI. New Business:

a. **Annual review, update, and approval of School Site Council Bylaws:** All members and guests were provided with a copy of the SSC Bylaws in English and Spanish. Mrs. Barragan reminded them that the bylaws were distributed at the previous SSC meeting to provide time for a thorough review. Time was also provided to review the bylaws at the meeting. Mrs. Barragan reminded the council that bylaws ensure stability, continuity, and structure. She highlighted the additions that were being recommended in order to address the necessary changes from physical to virtual meetings, due to school closures. In *Section 3 - Place of Meetings*, the following addition was recommended: “In the event in-person meetings cannot be held due to school closures or extraordinary circumstances, Virtual Meetings will be hosted to continue the School Site Council responsibilities.” In *Section 4 - Notice of Meetings*, “Virtual Meeting notices and agendas will be emailed to members 72 hours in advance and will include clear instructions on how to access the meeting via video or telephone. The community will be informed of the meeting via an All-Call, as well as a post on the school website.” *Section 5 - Decisions of the School Site Council*, addresses all decisions of the Council made during virtual meetings. The following recommendation was made: “Virtual meeting: all decisions of the Council will be made orally, recorded in the meeting chat box and Council minutes. A screenshot or printout of the chat box will be made for official records. Documents that require signatures will be mailed to the appropriate members for signatures and returned in the self-addressed, stamped, return envelope, or via email, with all specific language included. In *Section 7 - Conduct of Meetings*, the recommendation is that “attendance sheets must be completed at each meeting and attendance recorded in the meeting minutes. During virtual meetings, attendance will be taken orally and/or written into the video chat box. A screenshot or printout of the chat box attendance will be taken for official records. Attendance will be recorded in the meeting minutes. Finally, in *Section 8 - Meetings Open to the Public*, the recommendation was made for “Public Comments: Comments from the public are to be made at the designated time on the agenda. All comments made are to be related to the agenda items.” Mrs. Barragan asked if there were any questions, comments or other recommended changes. A motion to approve the SSC Bylaws was made by Mayra Gutierrez-Barragan. Carmen Espinoza seconded the motion. There was no additional discussion nor were there recommended changes or additions.

VOTE: 8 Yeas, 0 Nays, 0 Abstain-motion carried.

b. **Present a summary of the 2022-2023 SPSA development process of Section 1 and Section 2.** Mrs. Barragan presented Graciano Gomez Elementary School’s on-line, *2022-2023 School Plan for Student Achievement (SPSA)* for all in attendance. A digital copy (pdf) of the plan was also made available for anyone who preferred to follow along, utilizing the copy. Mrs. Barragan provided a summary of the 2022-2023 SPSA development process and stated that the SPSA is a written plan, developed by the School Site Council (SSC), school staff, and stakeholders. She also specified that the returning members of the council had previously taken

part in the process. Mrs. Barragan provided a brief summary of Sections 1 and 2 in the SPSA, as follows:

Section 1 consists of the Evaluation of Goals in which Graciano Gomez Elementary School articulated the achievement towards meeting the educational goals set during the 2021-2022 school year, and completed an analysis of data leading to the actual outcome.

The Program Evaluation-Needs Assessment, also included in Section 1, is the process for monitoring and evaluating the LCAP, Title I, and CSI planned expenditures (strategies/activities). It is focused on the outcomes, or results of program activities, and assists with decision making. Through an analysis of qualitative/quantitative, site-based and District data, Graciano Gomez Elementary School determines whether programs are effective/not effective, and whether they should be continued/discontinued, or modified. The evaluation was conducted by Graciano Gomez Elementary School staff, administration, and the SSC, as part of the SPSA development process. Mrs. Barragan asked if there were any questions or concerns. There were no further questions.

Section 2 consists of the School-wide and Student Group Goals. The section addresses the following: Goal 1-English Language Arts, Goal 2-Mathematics, Goal 3-English Learners, Goal 4-African American, Goal 5-Chronic Absenteeism (K-8), Goal 6-Suspension, Goal 7-Parent-Family Engagement, Goal 8-Graduation (High School *only*), and Goal 9-College Career (High School *only*). Additionally, as part of Section 2, Graciano Gomez Elementary School identified the State, District, and Site-based metrics/indicators to assess and monitor progress toward meeting each of the set goals. Mrs. Barragan asked if there were any questions or concerns. There were none.

c. Present the 2022-2023 SPSA, Section 2: LCAP, Title I, and CSI Action Plan. Review and explain expenditures related to the Action Plan, including ATSI for identified student groups. The 2022-2023 SPSA, Section 2: LCAP, Title I, and CSI Strategies/Activities were projected for new and returning members, as well as guests to view. Parents, teachers, and administrators previously collaborated and analyzed data to determine student needs and expenditures to meet the identified needs. Mrs. Barragan explained that the LCAP allocation is \$247,135, the Title I allocation is \$233,233, and the *CSI allocation is \$18,880*. The strategies and activities (expenditures) under LCAP, Title I, and *the CSI* are as follows:

| Planned Expenditure | LCAP 419 | Title 1 501 | CSI 523 |
|-------------------------------------------------|-----------|-------------|----------|
| 1140 Certificated Teaching | 20,000 | 40,000 | 4,000 |

| 4210 Other Books | | | 600 |
| TOTAL: | \$247,135 | \$233,233 | \$18,880 |

Mrs. Barragan and Mrs. Martinez explained to the SSC members that there needed to be a shift in funding in CSI 523. At the beginning of the school year we started with all our funds in Instructional materials for CSI 523. There are modifications that are needed on the CSI 523 funds. We did a change from Instructional Material 4310 to Contracted Services 5220, Instructional Material 4310 to Computer Accessories/Technology 4340, and two more modifications that were in the Possible Future Expenditures of the SPSA which from Instructional Material 4310 to Other Books 4210 and Instructional Material 4310 to Substitutes 1140.

There was no additional discussion nor were there recommended changes or additions.

VOTE: 7 Yeas, 0 Nays, 0 Abstain-motion carried.

IV. Committee Reports:

a. DAC: Our DAC representative, shared a report from the most recent DAC meeting. She reported that it was a very informative meeting and that they did a presentation on bullying (what it is and is not). She stated that the DAC meeting discussed a lot of the same information that was shared at the SPAC meeting. They talked in detail about the implementation of universal TK for all four-year-olds by July 2024. She stated that those teachers would be required to have multiple subject credentials as well as 24 early childhood college units. She reported that they also discussed late start. Items of discussion included: how they will provide bussing, the concern about dismissal time being the same for all students across the district, Sunrise CAPS being available for ALL students, as well as expanding after school CAPS to TK and all Kinder students.

b. DELAC: Mrs. Faz presented about the topics that were discussed in the DAC meeting in April. Kimbre Sargent presented an update on the 22-23 LCAP, she went over the goals, metrics, highlights and a LCAP Survey. Mrs. Duffy presented about Virtual Academy, she explained the program and the next steps for next school year on how to support students. The last presentation was recognizing the new DELAC members and the members who will be leaving their roles.

c. DAAAC: *None*

V. Old Business: None

VI. New Business:

a. Review, update, and approve the 2022-2023 School-Parent and Family Engagement Policy and School-Parent Compact

School-Parent and Family Engagement Policy

Mrs. Barragan provided the council with an overview of the School-Parent and Family Engagement Policy. She stated that schools receiving Title I funding are required to jointly develop a written parent and family engagement policy with parents and family members of participating students. The policy must be agreed upon by the parents, as well as distributed to them. Furthermore, the policy must describe how outreach to all parents and family members will take place, how programs and activities will be implemented, as well as procedures for the involvement of parents and family members, especially during this time of distance learning. Such programs, activities, and procedures must be planned and implemented with meaningful consultation with parents of participating students. Parents must be notified of the policy, in an understandable and uniform format, and the policy must be provided in a language that parents can understand. The policy must also be made available to the local community and updated, annually, to meet the changing needs of parents and the school.

Mrs. Barragan projected Graciano Gomez Elementary School's 2022-2023 School-Parent and Family Engagement Policy for review and update. She read the policy in its entirety including that the policy would be distributed during open house, Coffee with the principal, via Class Dojo, Facebook, Parent Square, etc. Mrs. Barragan asked if there were any questions or concerns. There were no further questions or concerns.

School-Parent Compact

Additionally, Mrs. Barragan explained that schools receiving Title I funding must jointly develop with parents, a School-Parent Compact (as part of the School-Parent and Family Engagement Policy), that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. The School-Parent Compact includes the following:

- A description of the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment (including a virtual learning environment), to meet the academic achievement standards
- A description of the ways in which each parent will be responsible for supporting their children's learning, such as: monitoring attendance (and participation during distance learning), monitoring homework completion, and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time
- Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum — parent-teacher conferences, frequent reports to parents on their children's progress, reasonable access to staff, opportunities to volunteer and participate in their child's class, as well as opportunities to observe classroom activities

Mrs. Barragan projected Graciano Gomez Elementary School's 2022-2023 School-Parent Compact for review and update. *She read the School-Parent Compact in its entirety*

including that the compact would be distributed during open house or Coffee with the principal. Mrs. Barragan asked if there were any questions or concerns. There were no further questions or concerns.

A motion to approve the 2022-2023 School-Level Parent and Family Engagement Policy, and School-Parent Compact was made by Mayra Gutierrez-Barragan. Iliana Munoz and Herenia Montes seconded the motion. There was no additional discussion.

VOTE: 7 Yeas, 0 Nays, 0 Abstain-motion carried.

b. Present and Approve the 2022-2023 SBCUSD Centralized Services

Mrs. Barragan directed the council, back to the *Centralized Services* in Section 5 of the SPSA. She stated that each year, the District receives its Title I entitlement and sets aside no more than 15% to be used to address costs related to the Title I programs. The remaining 85% consists of school site allocations and Centralized Services. The funds in Centralized Services are used for identified districtwide needs and must provide direct services that benefit Title I schools/students. Base or core educational programs (such as textbooks) costs cannot be paid from Title I funds.

In as much that Centralized Services are “part of” the 85% Title I entitlement (direct school/student support), each site must annually review and approve the District’s Centralized Services.

Examples of Centralized Services include:

- Student wellness services which coordinate the services of the health and dental clinics for students, counseling, and provides information on student’s social-emotional learning.
- Family resource services which provide information about resources and provide workshops and training for parents from the Family Engagement office.
- Professional development for reading, math, and other content areas through the curriculum departments
- Academic coaches working with teachers to focus on what students need and how students learn.
- District and school level resource teachers, program specialists, and supplement administrative support to coordinate parent councils, provide information about resources for parents, and work with teachers and administrators to provide the best educational environment for students.
- Accountability and Educational Technology which provides and assists sites with analyzing aggregated and disaggregated student performance data to aid sites in developing learning objectives to meet the individual needs of student group populations to accelerate the closing of learning gaps.
- The Multilingual department assists sites with assessment, support personnel, planning, professional development, and curriculum development to raise academic achievement of our English learner populations.
- Categorical personnel provide state/federal guidance to schools and departments related to Title I and other federal programs. The Categorical Programs Department provides direct assistance to all schools with the School Plan for Student Achievement (SPSA),

School Site Council records, District Advisory Council records, fiscal guidance, and family engagement. Additionally, this department prepares for Title I Federal Program Monitoring (FPM) reviews by ensuring all funds are used to supplement and not supplant the core program. Mrs. Barragan asked if there were any questions or concerns. There were none. A motion to approve the 2022-2023 Centralized Services was made by Mayra Gutierrez-Barragan. Bertha Cortes and Herenia Montes seconded the motion. There was no additional discussion.

VOTE: 7 Yeas, 0 Nays, 0 Abstain-motion carried.

c. Present the Tentative 2022-2023 LCAP Budget

Mrs. Barragan reviewed the *“Tentative 2022-2023 Budget Allocation”*, which contains information on the tentative 2022-2023 LCAP and Title I budget. Based on the student population at Graciano Gomez Elementary School, the tentative LCAP entitlement is \$247,135.06. The total allocation to the school, considering all direct and indirect costs, Centralized Services, and adjustments, totals \$247,135.06. Mrs. Barragan asked if there were any comments questions, or input regarding the *tentative 2022-2023 LCAP Budget*. There were none.

d. Present and Approve the Tentative 2022-2023 Title I Budget

Mrs. Barragan then presented information on the *tentative 2022-2023 Title I Budget*. Based on the student population at Graciano Gomez Elementary School, the tentative Title I entitlement is \$233,233,97. The total allocation to the school, considering all direct and indirect costs, Centralized Services, and adjustments, totals \$233,233,97. Mrs. Barragan reminded the council that it is important that all LCAP and Title I funding, for the 2022-2023 school year, be spent as delineated in the site’s 2022-2023 School Plan for Student Achievement (SPSA). Mrs. Barragan asked if there were any questions or concerns. There were none. Mrs. Barragan stated that the tentative 2022-2023 Title I Budget requires the approval of the SSC. A motion to approve the tentative 2022-2023 Title I budget was made by Mayra Gutierrez-Barragan. Herenia Montes and Iliana Munoz seconded the motion. There was no additional discussion. **VOTE:** 7 Yeas, 0 Nays, 0 Abstain-motion carried.

e. Present and Approve the Tentative 2022-2023 CSI Budget

Mrs. Barragan then presented information on the *tentative 2022-2023 CSI Budget*. Based on the student population at Graciano Gomez Elementary School, the tentative CSI entitlement is \$18,880. The total allocation to the school, considering all direct and indirect costs, Centralized Services, and adjustments, totals \$18,880.

Mrs. Barragan reminded the council that it is important that all CSI funding, for the 2022-2023 school year, be spent as delineated in the site’s 2022-2023 School Plan for Student Achievement (SPSA). Mrs. Barragan asked if there were any questions or concerns. There were none.

A motion to approve the tentative 2022-2023 CSI budget was made by Mayra Gutierrez-Barragan. Bertha Cortes and Rosa Jimenez seconded the motion. There was no additional discussion.

VOTE: 7 Yeas, 0 Nays, 0 Abstain-motion carried.

f. Present and Approve the Final 2022-2023 School Plan for Student Achievement (SPSA), including the Possible Future Expenditures

Mrs. Barragan presented the on-line, *final* draft of Graciano Gomez Elementary School's 2022-2023 *School Plan for Student Achievement* (SPSA), for all in attendance. A digital copy (pdf) of the plan, was also made available for anyone who preferred to follow along, utilizing the copy. Mrs. Barragan reminded the council that the School Plan for Student Achievement (SPSA) is a written plan developed by the School Site Council (SSC), school staff, and stakeholders, describing the school's program and how resources will be used to meet the supplemental, educational and related needs of participating students, while on distance learning and upon return to campus.

Mrs. Barragan reviewed each of the 5 Sections in the SPSA as follows:

Section 1 consists of the site's educational needs, which includes the Comprehensive Needs Assessment-Data Analysis, Program Evaluation-LCAP, Title I, and CSI (if applicable), as well as the Purpose, Involvement, Resource Inequities.

Section 2 consists of the Goals (School-wide and Student Groups) which contains the following: Goal 1 English Language Arts, Goal 2 Mathematics, Goal 3 English Learners, Goal 4 African American, Goal 5 Chronic Absenteeism (K-8), Goal 6 Suspension, Goal 7 Parent-Family Engagement, Goal 8 Graduation (High School *only*), Goal 9 College Career (High School *only*).

Mrs. Barragan continued with **Section 3**, which contains the LCAP, Title I and CSI Action Plan, and is inclusive of the Possible Future Expenditures: LCAP, and Title I, along with the INAP, LCAP and Title I Allocations. Mrs. Barragan explained that the council would be discussing the contents of Section 3, during today's meeting, prior to approving the plan.

Section 4 contains the Parent Advisory Compositions as well as their Recommendations and Assurances. Information on the composition of the SSC and ELAC, as well as information on the site's AAPAC is included. Mrs. Barragan pointed out that the council had reviewed and approved the Tentative Title I Budget Allocation and Centralized Services as required, earlier in the meeting, prior to approving the entire SPSA.

Section 5, the "Appendix," houses the Board Executive Summary, Centralized Services, School-Parent and Family Engagement Policy, School-Parent Compact, the School Plan for Student Achievement Certification, Library Plan, Board Certification, and CA Data Dashboard.

Mrs. Barragan directed the council back to Section 3, the 2021-2022 *LCAP, Title I and CSI Action Plan*, and reminded the council of the time they had spent reviewing, evaluating and making recommendations on the Planned Expenditures, Strategies and Activities, during the last meeting. She then reviewed the planned expenditures which include partial funding of the Resource Teacher, Resident Substitutes, Technology, Instructional Materials/Supplies, Computer Tech Fees and Licenses, Additional Duty, two EAIII's along with funding of District Printing, Recreational Aides, Maintenance Agreements, Student Interns, Student Incentives, Field Trips, Educational Assemblies, Meeting Refreshments, and Library/Media for a total of \$236,332.93 out of LCAP (budget 419). She thanked the council for their contributions and asked if there was any additional input. No further input was provided.

Mrs. Barragan reviewed the planned expenditures under Title I (budget 501). The expenditures include partial funding of the Resource Teacher, Resident Substitutes, Technology, Instructional Materials/Supplies, Additional Duty, 2 EAIII's along with funding of Student Incentives, In-service/Conferences, Instructional Materials/Supplies, Computer Tech Fees and Licenses, Bilingual Community Resource Worker, Instructional Materials and Supplies (Parent Engagement), Student Interns, Field Trips, Educational Assemblies, Student Incentives, and Computer Accessories/Supplies for a total of \$232,054.43.

Possible Future Expenditures

Before concluding the presentation, Mrs. Barragan reminded the council of the LCAP and Title I Possible Future Expenditures found in Section 3 of the 2021-2022 SPSA which had been presented, in detail, during the previous meetings.

She reviewed the possible future expenditures under LCAP (budget 419) for a total of \$83,000.00. *The expenditures include* Technology (Elmos, projectors, other equipment), Computers (Chromebooks and headphones), Copy and rizo machines, Instructional Material, Other Books, Substitute Teachers, Printing, Maintenance Agreements, Inservice/Conferences, Additional Duty, Interns, and Student Incentives.

Additionally, Mrs. Barragan reviewed the possible future expenditures under Title I (budget 501) for a total of \$85,000.00. *The expenditures include* Technology (Elmos, projectors, other equipment), Computers (Chromebooks and headphones), Instructional Material, Other Books, Substitute Teachers, Printing, Maintenance Agreements, Interns, and Additional Duty.

Mrs. Barragan asked if there was any additional input, comments or concerns regarding the LCAP and Title I Possible Future Expenditures. There were none.

Approval of the Final 2022-2023 School Plan for Student Achievement (SPSA)

Once again, Mrs. Barragan thanked the council for their dedication to ensuring that the plan addressed the needs of all the students, and clearly delineated the LCAP and Title I programs, at Graciano Gomez Elementary School. She then asked if there were any additional recommendations. No further recommendations were provided.
