

COMMITMENT TO STRATEGIC PLANNING/ CONTINUOUS IMPROVEMENT: 0100

The policy and procedures related to Strategic Planning/Continuous Improvement (WSSDA policies and procedures 0100, 0300, 0300P, 0500, 0510, 0520, 0530, 0540, 0550, 0560, 0700, 0700P, and former District policy 0530) are addressed in the **Ends** policies, the **Executive Limitations** policies, the **Board/Superintendent Relationship** policies, and the **Governance Process** policies found in the Board's Policy Governance[®] policies.

The Board's Policy Governance[®] policies were adopted September 28, 2010. Strategic Planning and Continuous Improvement are integral parts of Board and Administration considerations and action plans and are continuously addressed and modified in accordance with the expectations identified in the Board's Policy Governance[®] policies. Because these considerations and action plans are dynamic and responsive to the changing needs and goals of the District, they are not here specified as administrative policies or procedures.

Policy 0530 was adopted or previously revised 9/11/07. The contents of this policy were removed from the Administrative policies 8/23/11.

This numbering as Policy 0100 is here for reference only to align with the WSSDA (Washington State School Directors Association) sample policy numbering system.
