

The District believes that a variety of learning options, including online courses and programs, are critical for 21st Century learners. The District recognizes that the online learning environment provides students with unique opportunities to become self-disciplined learners with life-long learning skills. Further, the District believes that online learning provides unique and valuable opportunities for students to access curriculum and specialized courses in a flexible learning environment that might not otherwise be available.

The Superintendent or designee will develop procedures to implement this policy.
