

DISTRIBUTION OF PROMOTIONAL MATERIALS OR GIFTS TO STUDENTS, STAFF OR SCHOOLS: 2313

Materials or gifts from any organization or individual(s) are not to be given to students, staff or schools without prior authorization.

Individuals or groups that request permission to distribute items to students, staff or schools must first have the permission of the building administrator and the Superintendent/designee. A determination will be made by the building administrator and the Superintendent/designee regarding the appropriateness and educational value of the item.

No gifts or materials to students, staff or schools shall be accepted that promote a religious or political point of view. No gifts or materials to students, staff or schools shall be accepted that promote a commercial product without approval of the Board of Directors, and no such gift or material shall benefit a District employee or Board member in violation of District policy or legal restrictions.
