

WAIVER OF HIGH SCHOOL GRADUATION CREDITS: 2418

The District seeks to provide all scholars with the opportunity to complete graduation requirements without discrimination and without disparate impact on groups of scholars. In so doing, the board acknowledges that unusual circumstances may result in a scholar's inability to earn all twenty-four credits required for high school graduation. Unusual circumstances may include, but are not limited to:

- Homelessness;
- A health condition resulting in an inability to attend class;
- Limited English proficiency;
- Disability, regardless of whether the scholar has an individualized education program or a plan under Section 504 of the federal Rehabilitation Act of 1973;
- Denial of an opportunity to retake classes or enroll in remedial classes free of charge during the first four years of high school;
- Transfer during the last two years of high school from a school with different graduation requirements.
- Other circumstances (e.g., emergency, natural disaster, trauma, personal or family crisis) that directly compromised a scholar's ability to learn.

The board delegates to the Superintendent or his/her designee discretion to grant a waiver of a maximum of two elective credits required for graduation. A scholar's parent/guardian or an adult scholar must file the Federal Way Public School Form 2418F with the Superintendent's office no later than thirty days prior to the scholar's scheduled graduation date. In order to graduate, scholars granted a waiver must earn seventeen required subject credits (four English, three Math, three Science, three Social Studies, two Health and Fitness, one Arts, one Career and Technical Education) which may be by satisfactory demonstration of competence as provided by WAC 180-51-050.
