

FORM-WAIVER OF HIGH SCHOOL GRADUATION CREDITS: 2418

The District seeks to provide all students with the opportunity to complete graduation requirements without discrimination and without disparate impact on groups of students. In so doing, the board acknowledges that unusual circumstances may result in a student's inability to earn all twenty-four credits required for high school graduation. This is an application for a waiver of up to two elective high school graduation credits based on unusual circumstances.

Please review the District's Policy and Procedure 2418 prior to completing this form. This form must be completed, signed and provided to the Superintendent's office no later than thirty business days prior to the high school graduation for the year the waiver is requested.

Instructions:

Providing the completed form does not automatically guarantee a waiver will be granted. Once the application is submitted, the Superintendent or designee will respond to the request within ten business days with his or her decision.

Parents or adult students with limited English proficiency may request that this application and/or the policy and procedure be provided in a language that they understand or the District may provide assistance in completing this form through the use of interpreters.

Please attach all materials and/or documentation that would establish the existence of the unusual circumstances justifying a waiver (e.g., physician's letter). Please attach additional pages if necessary to the narrative section.
