

How to Replace a Lost Textbook for Piner High Library

Are you unable to find your textbook?

Was your textbook damaged and needs to be paid for or replaced?

Here's what to do if you would like to replace your textbook.

Contact the Library to see if your book is replaceable. Not all, but most books can be replaced.

Before you order your textbook you will need two pieces of information.

The ISBN number from the book.

A photo of the book's cover. This will help ensure that you are ordering the correct textbook. You can stop by the Library to do this.

Now you can shop for your book.

1. Go to Amazonbook.com
2. Enter the book's specific ISBN number in the search bar.
3. When the book shows on the screen, click on "Used".

See the Amazon example to the right, "Used" is highlighted.

4. Now you can see all the used books available. This page changes daily so if you see a book you like order it that day. Select a used "Very Good" or "Like New" condition book. You can also purchase a "New" book, sometimes the cost is the same as a used book.

Important: Your book needs to be a California Edition, please double check this before ordering, we cannot accept a book if it is not a California Edition.

5. Pay with a debit or credit card. You may need to set up an Amazon account.
6. Have the book sent to your home or have the book sent to Piner High Library.
