

## CAREER READINESS & EXPLORATION RESOURCES FOR DISTANCE LEARNING

### CAREER EXPLORATION RESOURCES FOR STUDENTS

- **[California Career Zone](#)**: An interactive site that provides both college and career information. Here is a [video library](#) searchable by industry salary, sector, and STEM fields.
- **[Career One Stop](#)**: Explore careers and industry certification needed for each career.
- **[Day at Work Videos](#)**: High-quality videos showing a day-in-the-life of many different careers.
  - List of Career Exploration resources and activities for different levels of tech access (no access to full wifi), with activities, worksheets, lessons plans, etc., some of which help students reflect on the Day at Work Videos listed above.
    - [Level 0 \(little to no access\)](#)
    - [Level 1 \(some connectivity\)](#)
    - [Level 2 \(greater connectivity and engagement\)](#)
    - [Level 3 \(maximum connectivity & engagement\)](#)
- **[Find Your Grind](#)**: Career exploration through self discovery, interests, and skills. Curriculum for teachers, or students can explore on their own (registration required).
- **[Gladeo](#)**: Explore careers by personality type or industry. Watch career spotlight videos, read interviews with industry professionals, learn responsibilities, skills, pay, etc. for thousands of jobs. Gladeo also works with Zip Recruiter to show live job postings for those particular positions.
- **[Jobs Made Real: By Teens For Teens](#)**: A searchable library of career videos curated by Sonoma County teens with links to O-net and US Department of Labor Information as well as career center information.
- **[Journeys Map](#)**: Interactive user-interface, similar to Google Maps, allows students to create a roadmap to navigate through K-12, CTE, college, and certificate training.
- **[Nepris](#)**: Live and pre-recorded video sessions with career professionals. Free access during shutdown ( registration required).
- **[Road Trip Nation](#)**: Career-focused video interviews with professionals and celebrities. Students can access through their Naviance accounts [here](#).
