After groups completed reviewing and scoring their sections, they then shared out their findings with all members in attendance. At the following District Wellness Meeting scheduled for 2/24/20, the groups reconvened and reviewed the Wellness Policy and WellSAT 3.0 District Scorecard results in more detail. They then began drafting suggestions for changes to be made to the Wellness Policy so that we could improve our Comprehensiveness and Strength Scores. Groups were set to share their suggestions at our next Community Wellness Meeting on March 23, 2020. Due to the pandemic, this meeting did not take place. Instead select members of the Wellness Committee (Food Services Director plus Wellness Team staff) met and updated the policy to reflect a more limited scope of changes. The revised district wellness policy will go to board on June 10, 2021
