

LEAP Preschool

Lawndale Early Advantage Preschool

Peer Partners

LEAP Preschool offers an opportunity for typically developing preschoolers to join our Special Day classes. Peer Partners help our special education preschool students by modeling appropriate behaviors, language, social and play skills. While attending LEAP as a peer partner, children develop empathy for children with a wide range of disabilities. Peer partners are provided many opportunities to develop and display leadership skills with peers.

Children are given developmentally appropriate activities taught by specialists in their field. Peer partners participate in speech and language therapy, adapted physical education, and occupational therapy with their peers as models. Language, social skills, pre-academic and motor skills are integrated into the curriculum.

There will be a one month trial period. At the end of the month a parent/teacher conference will be held to discuss the success of the adjustment into the LEAP class. At this conference enrollment may be terminated if parent or teacher does not feel this is an appropriate placement.

Come learn with us!
The LEAP Staff

FOOD FEES

The family may qualify for the free or reduced breakfast or lunch program.
