

MSA Summer Math Practice: Grades 6-12

We are utilizing an adaptive, online practice program by Renaissance called **Freckle Math** to support student growth in basic math skills and operations. Consistent practice fosters growth of math skills. We suggest ½ hour practice sessions several times a week.

The Freckle Math website can be found in your MSA Bookmarks folder when you are signed into your MSA Google Chrome browser, it is called Renaissance. You can also use the link below. Once you login, you can choose a variety of topics to practice. Whether a student chooses Geometry or Equations, Freckle Math will adjust questions based on your answers. If you choose something too hard, Freckle Math will suggest something more on your level to practice.

How to access Freckle Math: *Want to use video directions?* [Click here to watch.](#)

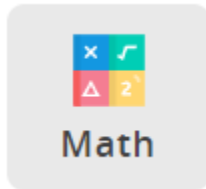

1. Go to <https://global-zone20.renaissance-go.com/welcomeportal/48551>
2. Choose "I'm a Student"
3. Login: Username is full MSA email, Password is Mustangs
 - If you are a new student, your MSA email is structured as follows: first 2 initials of your first name + full last name + @millsprings.org (Ex: Elvis Presley: elpresley@millsprings.org).
 - We use preferred names in emails, so if you use a nickname and not a given name...use your preferred/nickname for your MSA email.
4. Click on the Freckle logo:

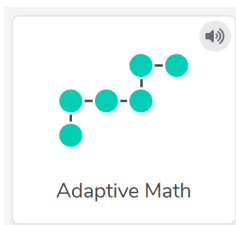

5. When the screen asks “Whose class are you practicing in right now?,” please choose **J. Bennett**

Bennett

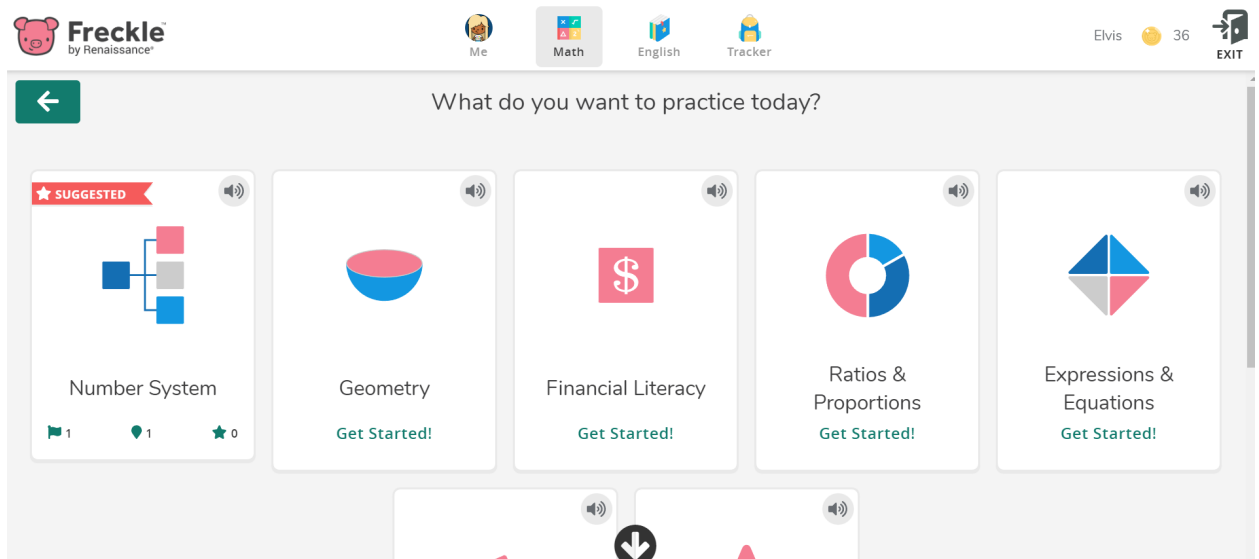

6. You are now in the main Freckle Dashboard. To practice math, please select the “Math” icon on the top toolbar

7. Next, choose “Adaptive Math”

8. You will now see a variety of math topics to practice. Choose from any of the options, they each have about 10 questions. You can choose “View More Topics” on the bottom to see more choices. After you have practiced some, Freckle may suggest a topic next time you login, it will be starred as “Suggested.”
