Notes:

The Financial Aid Recipient Group does include employee children who receive FA in addition to the employee perquisite of one third.

The 2020-21 and 2021-22 Financial Aid Awards include awards specific to COVID-19 hardships.

Students of Color does not include International students.

In the 2022-23 Academic Year, we transitioned our data to reflect Race and Ethnicity separately, per NAIS and US Census 2020 guidelines. This change considers Hispanic/Latinx as Ethnicity, not race. As a result, persons of different races may also identify as Hispanic/Latinx, and the figures above for 22-23 will not sum to total enrollment. The 22-23 (and later) SOC Totals above include students who are self-identified as race other than White or international, or as ethnicity Hispanic/Latinx.
