    - Francine said that Beth Olson will be hired as a full-term second grade teacher, which is considered as a regular position. There will be limited term hiring for teachers for the first, third and fourth grades. More paras will be hired. The library para is retiring, so someone will be hired in her place.

## Open Agenda:

Questions/Notes: Francine talked about the Advanced Math program (AMP). This program is conducted by the Boulder Universal (BU) online. The classes are pretty intense with about 30 students. A few students tried the 4th/5th grade compacted AMP. However, Creekside will look into the level of the students and will offer the Advanced 1 course, which combines all 6th and half of the 7th grade.

Next meeting: August 24th, 2023
