100% said they would be happy to send students to the school

"Just a dream school. Everything was perfect: from location to accommodation."

"The best school on this trip. Amazing boarding houses for both boys and girls – very clean (bedrooms, shower rooms, toilets) – good room layout."

"The pastoral care at Prior Park is very strong – they have done a great job integrating international students with the locals. I am very impressed with the school providing Half Term programmes for the boarders, which shows that the school really cares about the international students and is trying really hard to make things easier for these students."

"Good nationality mix."

"Very warm atmosphere for international students."

"Provides sports that are attractive for international students."

"The school is very beautiful."

"We believe that this is an excellent school in the Bath region that is highly recommended for families."
