**What to bring to camp each day:**

- Tennis racket
- Water bottle
- Sunscreen
- Bathing suit
- Towel

**Daily activity:** The Elite Junior Tennis Camps @ Maclay Tennis Academy will run a specialized program that will involve almost 15 hours of tennis and other sport specific activities throughout the course of the week. We will focus on the 7 fundamental strokes of tennis in a fun and competitive environment. Campers will be involved in technical stroke instruction, fitness and footwork exercises, games and point play. Campers should be ready for a full day of tennis and fun!

Swimming in the Maclay pool is a daily activity. On the first day of camp, our lifeguard will require each camper to take a swim test where they swim the length of the pool. If they do not pass the swim test, they will not be able to fully go in the pool but would be able to sit on the edge with their group. If they do not pass the swim test, you are able to send in a life vest or floaties to help them, but they would be required to wear these at all times in the pool. (This does not include tubes or pool noodles).
