Graduation Shoe Policy

Our hope is that graduation will be outside on the football field for all to attend! As a result of our new turf field, we do have a few types of shoes that we need to avoid for anyone who would walk on the turf field before, during and after the ceremony:

Please do NOT wear traditional high heels or stiletto heels on the turf

Wedges, block heels, and flats are acceptable

SHS COLLEGE & CAREER PREP

Just a reminder that if you are a senior who is planning to attend college this fall, you must send your final transcript showing proof of graduation to your college. You can do this through Parchment (www.parchment.com).

Final transcripts will not be ready until mid June, but you can put your request in now. Counselors will hold on processing any senior transcripts until final grades are posted. Below are step by step instructions.

Parchment Instructions

Child Work Permits Moving to Online Only, In-Person Ends June 30

The online application is live now. A parent can access the site [using these instructions](#). Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.

The old system will continue to be operational until June 30, 2023, when it will be discontinued. The offices of schools in Stoughton will no longer be issuing work permits.

If you have any questions or concerns, please do not hesitate to contact by email at workpermits@dwd.wisconsin.gov.

SPRING CLEANING & GRADUATION

If you have a Stoughton High graduation cap or gown you are no longer in need of, consider donating it back to the high school to be worn again. We try to keep a supply of caps and gowns on hand to have available to students in need of that resource. Donations can be directed to Teresa Hermanson in the Attendance Office.
