CONFI-DANCE FOR THE NEXT GENERATION

# DANCE CAMP

AGES  
7-17  
URBAN • LATIN • BALLROOM

At NexGen, we believe dancing is the vehicle to foster three super powers:

**CONFIDENCE**

**CONNECTION**

**RESPECT**

**CONFIDENCE** is the ability to feel comfortable being YOU! Let's help the nex gen be able to dance to anything, anytime, anywhere and feel good about it.

**CONNECTION** is crucial to development - especially in a world full of screens.

By exposing the nex gen to diverse cultural expressions, we learn **RESPECT** for each other and to celebrate our differences.

And **FUN...** we believe in a whole lot of it. We'll **LAUGH** until our faces hurt!
