## Demographics

### Demographics Summary

MMS is a Title I, grade 6-8, public school campus in Mathis, Tx. The campus has an enrollment of 392 students. The campus serves a majority Hispanic population through a number of special programs: gifted/talented, ESL, special education, fine arts, athletics, and migrant.

The City of Mathis- population 4,942- is situated on the far western end of the county, off Interstate 37 and Texas Highway 359. More than 25,000 vehicles travel on these two corridors daily. Mathis is the home of a beautiful and widely visited lake providing the perfect leisure and recreation opportunity. The area's primary industry is agriculture. Most residents commute to nearby Corpus Christi and are employed in various professional, manufacturing and petrochemical jobs.

The campus has an average class size of 18.4.

MMS is comprised of 95.4% of hispanic students, 3.3% of white students, 0.5% of African-American students, and 0.5% of American Indian Students for the 2019-2020 school year. The campus has an attendance percentage of 94%, which is a decrease from the 94.9% from the previous year. MMS has identified 6.9 % of its students as gifted and talented, 1.3% as limited english proficiency, 1.3% as english as a second language and 11.7% as special education. As reported in the 2018-2019 Texas Academic Performance Report, MMS had 84.2% of economically disadvantaged students, this is significantly higher than the stated 60.6% average. In addition MMS has a 14% mobility rate.

MMS employs a highly qualified, talented staff. MMS has consistently maintained less than a \_\_\_\_% turnover rate. 90.4% of the campus' staff is made of professionals, including 5 staff members holding masters degrees. Years of Experience: 20.1% beginning teacher, 47% 1-5 years, 9.4% 6-10 years, 4.7% 11-20 years, 18.8% over 20 years. MMS teachers have gifted and talented certificates, special education certificates, and ESL certificates to service our student population.

Previous year enrollment 392, projected enrollment for 2021-2022 school year is \_\_\_\_\_

### Demographics Strengths

Mathis Middle School has many demographic strengths including:

1. The staff demographic mirrors the student population
2. An excellent representation of students participate in extracurricular sports, activities, and after school programs
3. Reduction of staff turn over rate has helped build stronger relationships.

#### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1 (Prioritized):** Address needs of students who are one or more years below grade level. **Root Cause:** Limited fundamental background knowledge.

**Problem Statement 2:** MMS students, grade 6-8, had an attendance rate of \_\_%, in the 2019-2020 school year. **Root Cause:** Attendance committee was inconsistent in holding attendance meetings, creating and reviewing contracts, and implementing student incentives.

# Student Learning

## Student Learning Summary

### Student Achievement

Mathis Middle School received TEA distinctions in 2019 in academic achievement in ELA/Reading, academic achievement in Social Studies, top 25 percent: comparative closing the gaps, and postsecondary readiness. While these areas have seen improvements in recent years, data from both STAAR and NWEA MAPS have shown that scores tend to fluctuate from acceptable to unacceptable. There is a definite need to develop a more sound RTI program to further close learning gaps for these students.

The use of TEKS Resource System is being used to drive the instructional delivery with the use of the Year at a Glance (YAG) and the Instructional Focus Document (IFD). Vertical alignment planning has been provided to MMS and MHS staff to ensure validity and smoothness of student progress.

Please see attached addendum: MAPS Winter 2020 Data, MAPS Winter 2020 Special Populations Data, MAPS Winter 2020 Ethnicity Data

This campus needs assessment is based on NWEA MAPS testing, Winter of 2020. The assessment analyzes differences between student groups and grade levels. The needs assessment looked at student achievement for students in state special allotment programs: gifted/talented, bilingual/ESL, and special education.

### Student Learning Strengths

MMS has a collaborative atmosphere and high level of communication occurs between grade level teachers as well as between teachers of the same content.

Mathis Middle School students are continuing to learn and make progress towards the goal of 90% of all students at the approaching level. According to NWEA Winter MAPS data, 76% of all students in reading and 71% of all students in math were at the approaches level.

### Problem Statements Identifying Student Learning Needs

**Problem Statement 1 (Prioritized):** All students are not meeting the goal of growth on STAAR. **Root Cause:** Students need more time to focus on individual needs specific to their academic area of struggle.

**Problem Statement 2 (Prioritized):** We are challenged to motivate and educate students who are one or more years below grade level academically. **Root Cause:** We continue to work on closing the gaps for MMS students.

# School Processes & Programs

## School Processes & Programs Summary

### Instructional:

On Going Monitoring of Instruction- Walkthroughs, lesson plans, and unit assessments are used to monitor best instructional practices, teacher placement on the Year At a Glance (YAG), and alignment to the TEKS.

Data Driven Instruction- MMS uses a numerous pieces of data, including MAPS Testing, Reading Plus Diagnostic test, and unit assessments, to provide interventions to students and to make instructional decisions. The DMAC system will continue to be utilized for unit assessments, formative assessments, and semester exams, Quintile reports, TEKS Performance, TEKS Tutorials, and reporting category reports will be used to determine intervention groups and spiraling of TEKS.

Appraisal Instrument- Mathis Middle School has implemented the T-TESS teacher evaluation system. All teachers have been trained in both goal setting and T-TESS dimensions. The evaluation system has four dimensions including planning, instruction, learning environment, and professional practices and responsibilities. These four areas will influence professional development on campus and agenda items for horizontal teams. The evaluation system focuses on student led classrooms and the use of student data to drive instruction.

Instructionally- Focused Calendar- MISD planned a modified, instructionally focused calendar for the 2019-2020 school year. The calendar is designed as a modified year round calendar, with school beginning the last week of July and ending the 4th week of May. Three Fridays have been designated as Intervention Fridays where Tier 3 students will receive intervention in a small group setting, approximately eight students per teacher.

Master Schedule- MMS works diligently to create a master schedule that is conducive to teaching and learning. Our teachers have 45 minutes of uninterrupted teaching daily with students for all core and extracurricular classes. From grouping of students, teacher content specialization, increased class time, decreased class size, and built in tutorial time, the campus has increased in effectiveness.

### Curricular:

Research Based Curriculum- Mathis Middle School follows TEKS Resource System (TRS) and Pearson curriculum and assessments.

### Assessment:

Data and Assessments- MMS uses NWEA MAPS assessment three times a year to track student progress and provide intervention. In addition, Reading Plus Diagnostic assessments are given three times a year as well to monitor student reading levels. All grade levels and departments administer unit assessments that are used to inform instruction, reteaching and campus interventions.

Tutorials- MMS has a built in tutorial period for all, tier 1-3 students. Teachers use this to group students according to skills that need to be retaught. In addition, all tier 2 and 3 students attend mandatory, afterschool tutorials. In the 2019-2020 school year, MISD offered three intervention Fridays for tier 3 students. This allowed teachers to work in small groups, with our most at risk students.

## **Personnel:**

We believe in investing in our teachers and support staff, to foster growth in becoming experts in their craft. In addition, many MISD teachers have been placed in assistant principal and district roles. MISD is supportive of teacher professional growth and places teachers in these positions. Our programs are specifically tailored for our student population. Our program is unique, and offers opportunities for innovation, creativity, and "intense intervention" among students, faculty, and staff.

At Mathis Middle School all teachers and staff meet the "Highly Qualified" status. We have had little turnover in staff this year. New teachers participate in our "New Teachers Academy" created last school year. MMS is dedicated to creating a collaborative environment to meet the needs of all students. Supporting increasing teacher leadership is a goal for the upcoming school year. Professional development opportunities to support exceptional instruction are offered and include:

Gifted and Talented Training

TEKS Resource System Curriculum

DMAC Student Data System

Crisis Prevention Intervention

Lead4Ward Training

Individual Education Plan

STAAR Test Training

Inclusion Training

Reading Plus

MAPS

ESC2 Content Specialists

Counselors Training on special education data system (Succedd Ed)

Google Drive

Pearson

Google Classroom

## Google Meets

Recruitment/Retention Strategies- full health insurance coverage for employee, MISD staff longevity stipends and teacher pay scale, positive climate, mentor program for first and second year teachers, MMS has a positive and supportive campus climate.

District Hiring Procedure- includes posting of positions on district web site, online application process, review of certification and highly qualified credentials, campus and district team interviews including reference and background checks.

New employees receive new hire training which includes new teachers orientation, Texas Teacher Evaluation and Support System (T-TESS), technology, TEKS Resource System, and Skyward.

### **School Processes & Programs Strengths**

1. Community outreach is ongoing through the use of school website, Facebook, and weekly family update
2. Grade level Flex periods which allows for small group tutorials, and reading intervention through use of Reading Plus
3. Regular faculty meetings increasing campus communication

### **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1 (Prioritized):** MMS has been inconsistent with specific "intense intervention" program implementation. **Root Cause:** Implemented programs have lacked follow-through or not given appropriate support before being allowed to make a difference (no programmatic stability)

# Perceptions

## Perceptions Summary

Mathis Middle School Mission Statement: An accountable learning community that creates innovative thinkers and leaders who will change the world.

1. Mathis Middle School students have many opportunities to participate in student athletics, groups and activities (Football, Volleyball, Basketball, Track, Tennis, Cross Country, MMS Band, NJHS, Art Club, Student Council, Cheerleading, and UIL) which make school an enjoyable place for students.
2. MMS emphasizes character development using LEAPS program and counseling lessons on social and emotional behavior
