

Prior Lake Savage Area Schools Policy Advisory Committee Charter

Purpose

The Purpose of PAC is to provide guidance and recommendations to the School District on matters related to policies. Board policies act as guidelines for the internal procedures of the district. To ensure alignment with legal requirements, the committee stays abreast of local, state and federal laws and regulations to determine and apply implications for district policy development and revisions. The committee works closely with the appropriate staff to draft new or refine current policies, processes and protocols, that are then brought to the board for formal action. PAC members help facilitate communication between the School District and stakeholders. All district policies should be reviewed over a three year period (Policy 208).
