12. Resolution

The Gahanna-Jefferson Board of Education approved the following Resolution:

Selecting the Contractor for the Blacklick Elementary School Fixture & Equipment Removal Project and Authorizing the Agreement with the Contractor

The Superintendent recommends Kirk Design + Construction, LLC (“Kirk”) as the contractor who is in the best interest for the Blacklick Elementary School Fixture & Equipment Removal Project (the “Project”) and requests authority to negotiate an agreement with Kirk based upon its proposal and to execute the agreement at the satisfactory conclusion of negotiations.

Rationale:

The Superintendent, working with other administrators, solicited proposals for the Project.

The Project is not subject to the bidding statute, R.C. 3313.46, because the scope of the Project falls outside the parameters of that statute, as it is not an "improvement." Rather, the Work for this Project qualifies as furniture, fixtures, and equipment ("FF&E").

1. The Superintendent, working with other administrators, reviewed and evaluated the submitted proposals and determined that Kirk's proposal is in the best interest of the Board.

2. The Superintendent recommends that the Board select Kirk as the contractor who is in the best interest of the Board for the Project.

3. The Superintendent requests authority to negotiate an agreement with Kirk for the Project and to execute the agreement at the satisfactory conclusion of negotiations in the amount of $19,266.84.

The Gahanna-Jefferson Public School District Board of Education resolves as follows:

1. Based upon the recommendation of the Superintendent, the Board selects Kirk as the contractor who is in the best interest of the Board for the Project.

2. The Board authorizes the Superintendent to work with legal counsel to negotiate an agreement with Kirk for the Project, based upon Kirk's proposal, and execute the agreement at the satisfactory conclusion of the negotiations in the amount of $19,266.84.

To be paid out of Phase I funds.
