

# THE WILDCAT WEEKLY

A Note from Dr. G

Volume 2 Issue 37

## Superintendent's Corner

This was a busy and wonderful short week, Wildcats! It kicked off last weekend with our amazing PTAs hosting the super popular Family Fun night. Thank you to all who planned and attended!

We started this week with a surprise at Columbus when one of the duck eggs hatched early and a baby chicken emerged! The students had so much fun with this unexpected event. Thank you Gina Carmody and Lisa Fornara for hosting. On Tuesday night our 7th & 8th Grade Chorus and Band delighted audiences and the Meistersingers continued the music with a performance at our BOE Meeting last night. Visit our social media for videos! STEAM organizers extraordinaire Mary Knopp and Janet Matthews coordinated WMS' inaugural STEAM Symposium Field Day for the entire 6th grade! Last night, Valedictorian Alejandro Gomez and Salutatorian Kendall Spearman were honored by the Lower Hudson Council of School Superintendents at the Scholastic Achievement Dinner and then we celebrated tenure with 10 educators. Congratulations Dr. Adam Bronstein, Daniel Clark, Raquel Wright Dalrymple, Diane Emhardt, Michael Flanagan, Danielle Idone, Bryan Korzen, Anthony Marinaccio, and Anthony Mungioni,

Please remember that we must keep off the turf until it officially opens in June for Graduation. It remains an active construction site. We do not want anyone to get hurt or have damage lead to a delay. Please speak to your children.

## The Week Ahead

5/26 - 5/29 No School - Memorial Day.  
The photo below is flags placed by Social Studies classes at the WMS 9-11 Memorial.

5/31 Junior National Honor Society Induction

6/1 6th Grade Concert; Science Research Symposium

## Noticing the Good

Congratulations to WHS 11th Grader, Kieran Mullin whose Emergency Medical Services team earned 2nd place in the New York State Health Occupations Students of America Competition. He and his team will now travel to the HOSA National Leadership Conference in Dallas, TX from June 21-24 where they will compete nationally in many EMS events.

Kieran is pursuing certification as an EMT through Westlake's career and technical education program at BOCES and also volunteers with Valhalla Ambulance Corps where he participates in various training programs and works numerous hours each week as an Attendant with their on-call EMS crew. We are especially delighted to highlight Kieran this week because it is National EMS Week!

## In Awe of the Paw - Wildcatpride!

As our spring athletics season comes to a close, we still have some celebrating to do! Gabby Nazaruk captured her 100th strike-out of the season, Tyler Howard scored his 100th career goal, and our track and field stars are not done competing! They will be at Valhalla on Saturday for Sectionals!
