

# Long Beach Wilson Golf

We will have a two week camp in July to focus on the development of skills. All returning players (girls and boys) and new players are welcome. This camp will also serve as a tryout to allow coaches to evaluate players and determine their rosters for the upcoming school year. Players are strongly encouraged to participate in the summer camp. If a player is unable to participate in the camp, they will need to contact the coaches immediately in regards to an alternate tryout date. The season of competition for fall sports begins in August which is prior to the school year starting. The camp schedule is posted below, attendance at these sessions is not mandatory but all players are encouraged to attend whenever possible. The sessions for practicing skills are no cost but the practice rounds are \$7 per player (the courses charge us per player). Players are responsible for bringing their own clubs, water bottles, sunscreen, and snacks. On the days where we will have a practice round players are expected to arrive 30 minutes prior to the tee time. The purpose of the camp is to help develop team chemistry and to practice the fundamentals of golf. This camp will also serve as a period for tryouts for the golf team for both boys and girls teams.

There is no fee for participation in the camp other than the \$7 per practice round. Participation in camp is not mandatory for participation in the golf program but it is suggested that all players attend. Those players who are unable to attend camp but wish to tryout for the team should contact Coach Henry to learn more about alternatives for the tryout. If you have any questions you may contact me via email at [phenry@lbschools.net](mailto:phenry@lbschools.net)

**All athletes are required to submit a summer athletic program application and proof of insurance. Please download the forms from our website at the [Wilson Athletics Website](#)**
