Valedictorian & STAR Student

Julia C. Basquin

At Statesboro High School, Julia has been involved with National Art Honor Society, Beta Club, National Honor Society, Literary Club, and led the varsity tennis team as captain. Outside of school, she is active at Statesboro First Presbyterian Church, competes on a travel tennis team and in individual tournaments, and she volunteers as part of various community service projects such as Feed the Boro. She plans to attend the University of Georgia in the fall pursuing a degree in Landscape Architecture in the hopes to combine her love for art, design, nature, and sustainability into a profession as a landscape architect.

Salutatorian

Alexis B. Vladescu

Alexis has been a part of numerous organizations throughout high school, including Technology Student Association, National Honor Society, Beta Club, Science Bowl, Listen Literary Magazine, and Math Team. She has held leadership positions in all of the above, including the role as president of the literary magazine and math team. Several notable achievements of hers include placing in regional and state science fairs, attending Governor's Honors Program as a Chemistry finalist, and being published and honored nationally and statewide for her literary pieces. Outside of school, you can find her writing, reading novels and scientific magazines, ice skating and skiing, attending Atlanta Symphony Orchestra performances, shadowing medical and surgical specialists in Metro Atlanta, self-studying coding, traveling Europe, and caring for almost 20 cats. She plans to attend Georgia Institute of Technology as a biomedical engineering major and seeks to explore radiosurgery. In the future, Alexis aspires to obtain both an M.D. and Ph.D. degree and enhance medical practices.

STAR Teacher

Mr. Anthony Hammett

Anthony is currently in his seventeenth year of teaching high school. He began his teaching career in 2006 at Appling County High School, and remained there for ten years before moving to Statesboro High School in 2016. While at Appling County High School, he taught World History and AP Psychology. He was selected as Teacher of the Year in 2015. Outside of the classroom, Anthony was an assistant football coach, with ACHS making it to the final four in 2011. He has been teaching at Statesboro High School for seven years, in various subjects such as AP Government & Politics and AP US History. While at SHS, he has served as an assistant coach to the Statesboro Blue Devils Football Team. Anthony and his lovely wife Amy have been married for eighteen years this July, and together they have two amazing daughters, Haley Claire Hammett, who is currently a freshman at Southeast Bulloch High School and Peyton Laine Hammett, who is a seventh grader at Southeast Bulloch Middle School. He earned a Bachelor of Arts in History with a minor in Communications from the University of Texas at El Paso. I received my teachers certificate from Columbus State University.

Honorary Regalia for the Class of 2023

- Beta Club:** A cord of black and gold represents membership in the National and Statesboro High School Beta Club. Members must maintain a cumulative, academic average of 90 or higher and honor service hour requirements of the organization.
- Career, Technical, and Agricultural Education Credential:** A cord of orange recognizes students completing their CTAE pathway and earning a certificate with the national, industry-aligned agency.
- Criterion Credential:** A cord of lavender distinguishes graduates who have demonstrated exceptional tenacity and creativity in contributing to the production of the SHS Criterion for three years.
- Family, Career, and Community Leaders of America:** A cord of red and white designates FCCLA officers and members.
- Honor Graduate:** A cord of gold indicates a cumulative academic average of 90 or above.
- International Thespian Society:** A cord of purple symbolizes the rich and vibrant personalities and talents of the actors who wear them.
- Junior Reserve Officers' Training Corps:** A cord of gray symbolizes completion of the JROTC pathway.
- Mu Alpha Theta Math Honor Society:** A cord of blue and gold represents excellence in mathematics as a member of Mu Alpha Theta.
- National Art Honor Society:** A cord of the primary and secondary colors worn over the gown symbolizes the highest standards in art scholarship, character, and service.
- National Honor Society:** A gold sash worn over the gown indicates membership into the Statesboro High School chapter of National Honor Society. Members must maintain a cumulative academic average of 93 or above and honor the principles of the four pillars of NHS (Scholarship, Service, Leadership, and Character).
- National Technical Honor Society:** The National Technical Honor Society is an organization that exists to honor, recognize, and empower students in Career & Technical Education. To be inducted, students must have a 90 or above average in all CTAE classes, maintain an overall numeric average of 85, complete a CTAE pathway, be actively involved in their respective Career and Technical School Organization, and complete a requirement of 20 hours of community service.
- REACH Scholar:** A cord of green and yellow symbolizes students designated as REACH Scholars. REACH Scholars have committed to follow a rigorous education path to be eligible to receive their scholarships upon graduation. The students must adhere to ABC's of the national recognized early success indicators, including attending school regularly, maintaining good behavior, and preparing to succeed in post-secondary school as reflected in good course performance.
