### Mission Statement

The Portal Unified Boosters shall actively support Portal Middle and High School and encourage participation in extracurricular activities.

Our primary mission is to raise and distribute funds to enhance academic, athletic, and arts programs. We shall also serve as community ambassadors to promote pride, sportsmanship, and involvement within these activities.

We will accomplish this mission by building a team of dedicated individuals working together with a spirit of cooperation to support our school.

**We need your assistance to  
accomplish our mission!**
