

25. Think about what happens in the passage "A Walk Through Time." Write an informational report telling what happens. Include the most important facts and details from the passage. Be sure to use complete sentences.

There was a girl. She
walked ~~to the stream~~ almost
every day. With her Grandpa.
One day she found a
footprint. Then showed it to
her Grandpa. It only
had three toes. Then her
Grandpa took a picture.
Then showed it to his friend.
And she said that it was a
dinosaur footprint!

Units 1–10 Assessments

4-Point Scoring Rubrics

Informative/Explanatory Writing

 4	The response is well developed. It includes accurate information from the source(s). The writer uses conventions of grammar and sentence structure correctly and has few or no mistakes in capitalization, punctuation, and spelling.
3	The response is adequately developed. It includes accurate information from the source(s). The writer makes a few mistakes in grammar and conventions, but they do not hinder meaning.
2	The response is somewhat developed. It includes some accurate information from the source(s). The writer makes many mistakes in grammar and conventions, which hinder the overall meaning.
1	The response is undeveloped. It shows no understanding of the information in the source(s). The writer rarely uses correct grammar or conventions, which hinders the overall meaning.
0	The response does not fit the writing prompt or is incomplete.
