

I think you need to save old things. "Scarlet Fever Summer" and "Tale of a painting" show that you should save old items.

For example in "Scarlet Fever Summer" it says "Only I, his oldest son, hold them dear, especially the one that brought me back to health". This shows that even old items can help you. The next one is from "Tale of a painting" and it says "Wow that's beautiful." This shows that old items can be beautiful.

In conclusion I think this opinion essay should convince you that you should keep old items.
