<b>4P</b>	<b>Alanah-Rae</b>	Reflective and Resilience	Alanah-Rae has understood this week 'the power of yet' in her learning. Rather than giving up straight away, Alanah-Rae has taken time to reflect on what is stopping her from completing the learning to what she can do to help her understand better. This is a wonderful change in her learning attitude and something 4P loves to see! Well done!!
	<b>Gabi</b>	Reflective	Gabi has grasped the method used in our Maths lesson on perimeter really well and has used her prior knowledge to fill in the gaps. Well done Gabi for setting a wonderful example.
<b>5F</b>	<b>Vivan and Ashwant</b>	Reflective	Vivan and Ashwant have been fantastic in sharing so many incredible facts that they already know about Ancient Greece. It is wonderful to hear their knowledge and see it grow week by week! Well done to you both.
	<b>Genesis</b>	Resilient	Genesis has been amazing in the past two weeks as despite having fractured her writing arm, she has been so keen to not let it affect her learning negatively and has been a resilient superstar. Well done Genesis!
<b>5I</b>	<b>Evan</b>	Resourceful	Evan has done really well in his History lessons this week. He managed to research a lot of information about Poseidon, linking to the Greek Gods and wrote a super fact file. Keep it up!
	<b>Riley</b>	Reflective	Riley has really impressed Mrs Iwin this term. Anytime Riley enjoys a topic/subject in school he then creates a fantastic poster using the CANVA website and posts this onto Google classroom. Such a curious mind he has.
	<b>Mayukha</b>	Relationships	Mayukha's confidence has improved so much. She is always answering questions with such great passion. Also, she bombards Mrs Iwin with SOOOO many wonderful facts about different subjects and in such great detail WHAT A SUPER STAR!
	<b>Erin</b>	Resourceful and Curious	Merit from Mrs Cooper. After Mrs Cooper's assembly on Tuesday Erin went home and researched further about air pollution. She created a poster in her own time to raise awareness and brought it into school. Well done Erin for listening and taking this important learning on board!
