

Cooperation

Character Assembly April

Magnolia....a place where students and learning come first.

What is Cooperation?

- Think to yourself
- Share your thoughts with someone or share out loud.

Cooperation

To work together to reach a common goal.

- Cooperation is teamwork.
- Cooperation is working together respectfully.

How to Be a Cooperative Person

- Help your family at home.
- Help others at school.
- Be a team player.
- Take turns when more than one person wants to do the same thing.
- Be open and receptive to new ideas.
- Encourage others to do their best.
- Treat each person of the group with respect.

Examples of Cooperation

- Happily do what your parents or school staff ask you to do.
- Help someone by opening a door or helping to carry something.
- Always play fair when playing games.
- Practice good sportsmanship.
- Invite someone who is alone or left out to join your group.

Think of OTHER EXAMPLES of how you can be cooperative at school or home?
