

Davis Learning Garden Connect Team

We are steadily building a Learning Garden Connect team to support and promote the Davis Magnet School Learning Garden. The objective of this team is to:

- 1) **Educate:** Provide education opportunities to increase school and home garden knowledge and expertise.
- 2) **Support:** Provide support for maintenance, improvement and in-class use of Davis Magnet Learning Garden
- 3) **Inform:** Provide information about garden resources, events and opportunities at school and in the surrounding community
