

This recognition program was established and is funded by the Fleetwood Area School District Foundation.

The Fleetwood Area School District Foundation would like to thank the following people for serving on the selection committee:

- ❖ *Elizabeth Becker, Rose Kurzweg, Michael Mayer, Stephen Herman, Christopher Redding and Dr. Greg Miller*

The Foundation was formed to benefit all Fleetwood Area School District students. The Foundation seeks to raise funds that will benefit both the academic and athletic programs of the district. The Foundation has provided mini-grants to teachers to support new instructional initiatives. Athletically, the Foundation was instrumental in raising funds to furnish the field house in our stadium.

If you wish to make a donation to the Foundation, or nominate a Distinguished Alumni, please visit www.fleetwoodasd.org/content/foundation

Inductees are Fleetwood Area High School graduates who have distinguished themselves in the areas of outstanding service to our country, community, or to others in need; outstanding contributions to their profession or career; or through philanthropy.

The Distinguished Alumni plaques are displayed across from the auditorium.
