

FOSTERING EXECUTIVE FUNCTIONING SKILLS AND RESPONSIBILITY IN CHILDREN-A PARENT WORKSHOP

Join us for an interactive workshop where we will demonstrate and help you practice effective strategies you can apply right away at home to enhance your children's executive functioning skills and independence.

After this session you will leave with:

- Tools you will create in the session that will help your children become more independent and responsible
- A set of evidence-based strategies that will enhance executive functioning skills in children
- Effective strategies to foster cooperation and avoid power struggles
