Australia Song

Between the Indian Ocean and the Pacific Ocean
There is the biggest island and the smallest continent.
It's to the south of Asia down under the equator.
It is the biggest island and the smallest continent.
The central plains are called the "outback" with the sheep
And cattle stations.
The aborigines were the first people in this nation.
With six states and two territories, kangaroos, koala bears
The biggest island in the world- Australia

New Zealand Song

North Island and South Island are both part of New Zealand.
They're both Pacific Islands on the Tasmand Sea.
They're southeast of Australia and part of Polynesia.
The British and the Maori people live in this land.

New Zealand Song

North Island and South Island are both part of New Zealand.

They're both Pacific Islands on the Tasmand Sea.

They're southeast of Australia and part of Polynesia.

The British and the Maori people live in this land.

Oceania Song

Polynesia, Melanesia, Micronesia-

30,000 islands in the Pacific Ocean

This part of the world is known as Oceania.

Solomon Islands and Fiji,

Society Islands, Nauru,

Western Samoa and Tuvalu,

Papua New Guinea and Guam

These are just some of the

30,000 islands of Oceania.
