ALTERNATE TRANSPORTATION FORM

Lewis Mills athletes are required to use the team bus transportation whenever provided by Region 10 for all off-campus events. In the case that special circumstances arise that require the athlete to provide their own transportation, this form is to be filled out and given to the athletic director or principal for approval.

To be completed by the parent/guardian:

I have read the above information regarding transportation to off-campus events for Lewis Mills athletes. I understand this policy and agree to hold Region 10 and staff harmless at all times in this transportation agreement.

This is to request that _____ on the _____ team, be permitted to use separate transportation for the following event:

date of event: _____

Site: _____

(Check one or both)

To the event:

Returning from event:

(Check one)

Parent driving:

Student driving:

The reason for not riding the bus:

Student athletes are expected to use the transportation provided by the district to and from off campus athletic events and that exceptions will be made only in special circumstances at the discretion of the athletic director. A request for exception must be made on this form which must be given to the coach or athletic director at least 24 hours before the event. You also acknowledge and agree that by making this request you have accepted sole responsibility for the transportation of your child to/from the event and release the district from any claims of legal liability relating to such transportation.
