The Illinois Child Labor Law (820 ILCS 205/1 et seq.) regulates the employment of minors under the age of 16 years and requires all minors to have employment certificates.

The Superintendents of Schools or their duly authorized agents issue employment certificates for minors enrolled in school and children under the age of 13 who are involved in certain activities such as talent shows and movie production.

Required Procedures For Teens

1. "Letter of intent to hire" must be obtained from all prospective employers. The letter must outline hours worked.
2. Teen and parent or guardian must bring this letter to an issuing officer at minor's school or school district to obtain the required work permit.
3. The issuing officer will review criteria and verify safety before issuing the work permit.

Required Procedures For Employers

1. Employers are prohibited from hiring teens under 16 years of age who fail to present an approved work permit.
2. Employers who employ teens without having a work permit on the premises are subject to fines by the Department.

4. A scheduled meal period of at least 30 minutes shall be provided no later than the 5th consecutive hour of work.

Employers of minors shall post a schedule stating the hours of work and time of the lunch period. The employer shall also furnish any minor with a statement describing the specific nature of the work to be performed and the hour and days the minor is to work. The minor must present this statement to the issuing officer at the minor's school (or the school district if the child has not yet been enrolled in school) along with a copy of minor's birth certificate.
