5/12/23

11:30am-12:30PM

**Welcome/Introductions**

Dr. Redinger welcomed students for the last meeting of the school year. She welcomed several new members who had applied for the Student Representative to the Board position. These students will be members of the Advisory Committee for next year along with other students chosen this fall.

**Discuss/Reflect on the Past Year**

There was discussion about the student survey regarding student barriers and needs. The survey questions involve the need for food, shelter, services, barriers, translations, or other areas where support is needed. The survey will be voluntary with results shared at the next board meeting.

Students discussed safety and security measures at schools including recent vandalism in restrooms. Several ideas were discussed included painting restrooms, addressing cracks in doors, removing outside entry doors, etc.

**Topics for Next Year**

  - Mental Health
  - Bussing for Delta High School students
