

CITIZENS' ADVISORY COMMITTEES AND TASK FORCES: 4110

The Superintendent and/or Board may appoint a citizens' advisory committee or task force as necessary to gather public input and/or establish interaction with the community about selected issues. The formation of such committees shall include a description of the responsibilities and reporting relationships and shall specify the duration of the committee's existence. The following shall apply regarding these committees:

- Committees should be representative of the stakeholders of the District;
- All committee meetings will be open to the public and shall be held at times, approved by the Superintendent/designee, that facilitate and encourage citizen participation;
- Board members and other stakeholders may identify potential members for committees working on educational programs and District policy, but final committee membership shall be the decision of the Superintendent/designee.

Standing Committees

No individual Board member and no group comprised of less than the full Board membership shall be designated as a permanent committee to perform any of the Board's functions except those for which state law requires signatories.
