

SCHOOL SUPPORT ORGANIZATIONS: 4120

The District encourages the formation of parent-staff-student associations or similar organizations, at schools for the purpose of providing an opportunity through which parents, teachers and students may unite their efforts and interests to enhance the school program, consistent with the District's goals, programs, and policies. District staff are encouraged to participate in such organizations where appropriate.

When District staff initiate parent-student-staff cooperative efforts, the standards and parameters of the District's site-based decision making procedures shall be utilized.

Booster clubs and/or special interest organizations may be formed to support and strengthen specific activities conducted within the school or district. All such groups must receive the approval of the school principal or Superintendent in order to be recognized as a booster organization.
