

ADMINISTRATIVE INTERNS: 5590

The Board recognizes the need to provide training opportunities for prospective administrators. Internships for those who are in the process of acquiring administrative credentials shall be approved on an individual basis. Specific factors to be used in considering an individual for an internship position shall include but not be limited to: academic record, teaching ability, leadership qualities, communication skills and performance in past and present assignments.

When a candidate is recommended by the screening committee, the Superintendent/designee shall schedule any necessary release time, arrange for consecutive supervision of the internship experience, and identify a variety of experiences which will meet the needs of the intern.
