

STUDENT FUNDRAISING ACTIVITIES: 6104

The District acknowledges that the solicitation of funds from students, staff and citizens must be limited since students are a captive audience and since solicitation can disrupt the program of the schools. Solicitation and collection of money by students for any purpose including the collection of money in exchange for tickets, papers, magazine subscriptions, or for any other goods or services for the benefit of an approved school organization may be permitted by the Superintendent/designee providing that the instructional program is not adversely affected.

ASB groups are permitted to raise moneys for private purposes, through fundraising or solicitation. Private purposes are defined as scholarships and charitable purposes only, and shall be private non-Associated Student Body fund money held in trust by the school district. Charitable purposes do not include any activities of a political nature, including support of candidates or support or opposition to any ballot propositions. Proceeds must go to a bona fide non-profit organization (501)(C)(3) registered with Washington's Secretary of State that has been approved by the Superintendent/designee.

The Superintendent/designee shall establish rules and regulations for the solicitation of funds by approved school organizations, official school-parent groups and by outside organizations. The principal shall distribute these rules and regulations to each student organization granted permission to solicit funds.

Unauthorized solicitation for money, goods, or services will not be permitted on school property at any time.
