

GIFTS AND DONATIONS: 6114P

Any gift or donation presented to the District shall satisfy the following criteria:

- 1) The purpose or use shall be consistent with the philosophy and programs of the District;
- 2) The District shall assume only a minimum financial obligation for installation, maintenance and operation;
- 3) The equipment shall be free from health and/or safety hazards.

COMPUTER EQUIPMENT

Donated computer equipment must meet or exceed the District's minimum standards and proof of legal software must be submitted (whether transferred or purchased).

PLAYGROUND EQUIPMENT

Donations of playground equipment must be coordinated through the Facility and Risk Management offices prior to Board acceptance.

FUNDS RAISED FOR THE BENEFIT OF DISTRICT PROGRAMS

The District will accept monetary donations that are the result of fundraising activities conducted by a third party (e.g., PTA or booster club) for the benefit of a District program only if such fundraising activity was conducted in compliance with all applicable procedures set forth in the “Outside School Support” sections of the then-current version of the ASB Procedures Manual published by the Washington Association of School Business Officials. Copies of the WASBO ASB Procedures Manual are available at www.wasbo.org or upon request from the District business office.
