

Online American Democracy/Economics
Class Information for Registration
2021-2022 School Year

Grade Level:

The Online American Democracy and Economics are 12th grade courses that fulfill mandatory graduation requirements. This is a purpose built course that has been offered at NHHS for the last 8 years. It is **NOT** like a distance learning or hybrid course from the 2020-2021 school year.

Course Description:

The classes are of the same rigor as the regular in-seat American Democracy and Economics courses. The online courses offer a higher degree of flexibility in a student's weekly schedule because the class does not meet within the normal bell schedule. Students control when during the week they do the work and learn the material. Most traditional courses rely heavily on test grades, taking lecture notes and have many small, daily activities, while online courses use smaller quizzes and rely on larger weekly assignments/projects that allow student choice on topics and formats.

Recommended Pre-Reqs:

Because of the extra independence in the online setting, the recommended GPA is a 3.0 GPA and a B or better in your junior year U.S. History course.

Aeries Course Code:

Code: **SD356**

Be very careful to use the correct code when registering as the non-online course has a similar course code and the exact same course title as the online classes.

Teacher Contact:

If you have any questions that we can help answer, please reach out to us via school loop email. Mr. Govaars (ggovaars@nmusd.us) can help answer any questions you may have.

If you are going to register for this course in Aeries, then [you must complete this *Google Form* prior to registration](#) so that we have a list of students. The Google Form will need to be completed by February 8th.
