HIGH SCHOOL
ELIGIBILITY PERIOD**

Athletics, Cheer, Dance, Drama, Drill Teams, Music (Instrumental & Vocal), Pep Squads (Song Leaders/Baton)

Student Name _____ **Grade** _____

I acknowledge that:

- _____ My grade point average for the previous quarter was below a 2.0 (one course may be P.E./Athletics) and my probation has already been used this year and/or during the previous quarter
- _____ I received two or more "U"s in citizenship (may not be given by the same teacher)
- _____ I did not pass four or more quarter periods during the previous reporting period

I acknowledge that I am ineligible if I have violated any of the above criteria in accordance with Newport Mesa Unified School District Administrative Regulation 6145. (Exception) One quarter of probation may be granted if a student does not meet the criteria of a 2.0 GPA only. No probation is granted for violating citizenship criteria and not passing four classes. Student may not go from ineligibility to probation or probation to probation.

I understand this Probationary Period will last for the current quarter only and only one probationary quarter may be granted once per school year. My future eligibility will be determined by the GPA, citizenship, and ability to pass four classes each quarter grading period.

Courses awarding P (pass), CR (credit), NC (no credit) or NM (no mark) are excluded from consideration when calculating the grade point average. Grades of NC and NM exclude the course from consideration.

If a student attempts to improve a grade during summer school by taking the same class again, the summer school grade can replace the grade received during the preceding grading period. If a student takes a different class than that which was previously taken, the summer school grade will be averaged with all grades received during the preceding grading period to recalculate the GPA.

Summer school courses failed shall not impair an athlete's scholastic eligibility achieved in the semester immediately preceding.

I understand that the Probationary Period for athletics cannot be granted if I do not meet the basic C.I.F. eligibility requirement: "Athlete must have passed four classes in the previous quarter and must be currently enrolled in four classes." P.E./Athletics may count as one class.

I understand if my overall GPA falls below 1.0 at the close of my senior year, I will be ineligible to graduate from the Newport Mesa Unified School District, despite earning the required 230 credits.

I understand the above regulations regarding a Probationary Period and approve of my son's/daughter's request.
