## From **Mr. Shockley**

INSPIRED STUDENTS.  
ENGAGED LEARNERS.  
EMPOWERED CITIZENS.

Another school year is in the books! We have many successes to celebrate, and those could not happen without the strong support of our parents and caregivers in the Avon community. Thank you for your patience, faith, and trust in us to serve and educate your students this school year!

AHS summer office hours are as follows:

- Week of 5/30 Monday-Friday, 7:45am – 3:30pm
- Weeks of 6/5, 6/12 and 6/19 Monday-Friday, 7:45am – 1:30pm
- AHS is closed June 26-July 7 and then reopening again on Monday July 10

For students entering Grades 9-12, Oriole Preview days are on two Wednesdays: July 12 and 19, 9:00am-7:00pm. Come when it's convenient for your family. Various tasks will be completed including school pictures, laptops, demographic and health updates, shot clinic and addressing course schedule problems. More information will be emailed home in late June.

To the Class of 2023, I offer my congratulations and gratitude for your positive contributions to our school. I wish you the best in your chosen field of endeavor after AHS!

Enjoy your summer!

Go Orioles!

## Mental Health Awareness Month

May is Mental Health Awareness Month and this is a great time to become more informed of mental health challenges our students may face. Every person has mental health and wellness needs, and the more we are proactive in supporting and recognizing these needs, the better outcomes we all have.

Here in Avon, we care about and support our students' mental wellness by having a guidance counseling staff who are available and able to offer social and emotional support to students as needed. If it is identified that students require more in depth support, we also have a mental wellness program with licensed clinical social workers who can support students through small group sessions. If students and families find that they want more intensive support, Avon schools partner with Cummins Behavioral Health, and students may be eligible for individual services with trained therapists right here in our building during the school day.

While the summer offers students a much deserved break, it is also a time where there may be less structure and routine, causing students to feel off balance. If you are in need of helpful tools to explore mental health and wellness with your student, please look into the website [www.mentalhealthishealth.us](http://www.mentalhealthishealth.us) to search a variety of topics and resources related to coping with and managing challenges they may be facing. If you are interested in or looking for a local provider, please check out [Hendricks County Health Partnership](#) (click on picture below) for a comprehensive list of mental health resources in our area.

## Attendance

If your child misses school or is late for any reason, call the Attendance line, (317) 544-5000, option #1. You may call this line 24 hours a day.

Students will be marked 'unverified' (unexcused) without a call from a parent.

If your student was marked unverified in a class for the day, you will receive an automated call that evening. An unverified absence means we have not received a phone call from a parent/guardian about the absence. If you receive this phone call and feel it is in error, please have your student talk with the teacher who marked the absence or you can contact the teacher via email. If the absence needs to be marked differently, the teacher will contact the Attendance Office to make the change.

All medical verification can be emailed to [AHSAttendance@avon-schools.org](mailto:AHSAttendance@avon-schools.org).

## Early Dismissals

Occasionally, students may need to be dismissed early from school. Please email early dismissal information to [AHSStudentServices@avon-schools.org](mailto:AHSStudentServices@avon-schools.org). Please include student name, grade, time student is to be dismissed and reason for dismissal. Or, you may call Student Services at 317-544-5000 ext. 5200 and leave a message with all of the aforementioned information. We will deliver the early dismissal pass to the student before dismissal time.

## Bus Passes

We will not be providing bus passes for the 2022-2023 school year.

## Immunizations

The Indiana State Department of Health sets the immunization requirements for students attending public schools in Indiana. Please see [this document](#) for immunization requirements for the 2023-2024 school year. Contact your health care provider to ask what vaccines your child may need. Low-cost immunizations are available at the Hendricks County Health Department at (317) 745-9222. More information can be found at [Avon's School Nursing website](#).
