

# MVHS ARTS & COMMUNICATION MAGNET

## SAMPLE PATHWAY

I know I like movies, and I think I may want to try the TV/ Film pathway, but I can't take that until my sophomore year, so I think I'll start with a drama class

Love this, but now what? More hands on!

I like drama! I'll continue with the pathway

I love stories, but I don't think I want to be in front of an audience

Playwright or author?

But I like the action or working with my hands

Maybe something with a little less teamwork?

I still love the storytelling, but I'm thinking I might pursue advertising in college because I like working with a team, competition, and the arts. What other skills would I need for this kind of career?

**To: University**  
**Major: Advertising**  
**Training: B.A. needed**  
**Growth in SD: 12%**

**Wages:**  
 \$127k ~avg.

Time to get ready for college!

I know I want to go to a university after high school, and I need to complete UC A-G requirements. I'll ask my counselor to patch those courses into my pathway too

**WHERE WILL YOUR PATH LEAD YOU?**  
 Mission Vista High School students will choose **17** classes in addition to the **15** required classes
